

2027 Health Plan Coverage Comparison Chart

This chart is not intended to be a full description of coverage. The complete plan description is contained in the appropriate certificate of coverage or plan document issued by each plan. Every effort has been made to ensure the accuracy of this chart. If statements in this chart differ from applicable plan

documents, then the terms and conditions of those documents prevail. This chart assumes all services are provided by a participating medical care provider when required. All benefits are subject to change. Contact the health plan for detailed information about benefit coverage and medical necessity requirements.

² Coverage described applies to the U-M Premier Care Provider Network 1. Network 2 providers (BCN statewide network) are covered with a \$2,000 individual/\$4,000 family annual deductible. A Network 1 PCP referral is required to access Network 2 providers.

³ Deductible and out-of-pocket is medical and pharmacy combined. In-network and out-of-network deductibles aggregate separately toward the out-of pocket maximum.

⁴ The out-of-pocket maximum does not include non-covered charges, as well as costs that exceed the plan's allowed amount for a particular service for all plans.

⁵ Copays may differ for bargained-for groups.

⁶ Preventive services as required under the Affordable Care Act.

⁷ Your doctor may provide a preventive service, such as a cholesterol screening test, as part of an office visit. Be aware that your plan can require you to pay some costs of the office visit, if the preventive service is not the primary purpose of the visit or if your doctor bills the plan for the preventive services separately from the office visit.
