

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.**

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit <https://hr.umich.edu/benefits-wellness/health-well-being/health-plans/health-plan-forms-documents> or call the number on the back of your BCBSM ID card. Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	\$500 Individual/ \$1,000 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?	\$3,000 Individual / \$6,000 Family  A separate <u>out-of-pocket</u> limit applies only to <u>prescription drug co-pays</u> : \$2,500 Individual / \$5,000 Family	The <u>out-of-pocket</u> limit is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket</u> limits until the overall family <u>out-of-pocket</u> limit has been met.  A separate annual <u>out-of-pocket</u> limit applies only to covered <u>Prescription Drug co-pays</u> and is separate from the <u>out-of-pocket</u> limit for the medical plan. It does not include infertility medications, product selection penalty, or any health plan expenses such as doctor office visits.
What is not included in the <u>out-of-pocket</u> limit?	<u>Premiums</u> , <u>balance-billing</u> charges, any <u>pharmacy</u> penalty and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> limit.
Will you pay less if you use a <u>network</u> provider?	Not Applicable	This <u>plan</u> does not use a <u>provider network</u> . You can receive covered services from any <u>provider</u> .
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
