

Benefits Enrollment Guide

As a faculty or staff member new to the University of Michigan or newly eligible for U-M benefits, this document is designed to help you find the information you need to make your benefits choices and to guide you through the online enrollment process. Please be aware that enrollment for most benefits is not automatic and you will need to enroll in benefits within **30 days** or as specified by your collective bargaining agreement.

Key Points:

- 1) You must enroll for most benefits (particularly those health-related) within 30 days of your date of hire or the date you became eligible for benefits**, or as specified by your collective bargaining agreement if you are a union member. See the Benefits Enrollment Deadlines and Defaults document at hr.umich.edu/sites/default/files/benefits-enrollment-deadlines.pdf.

Enrollment for most benefits is NOT automatic; it requires online enrollment, plus a few paper forms.
- 2) Visit the University Human Resources website at hr.umich.edu/benefits-wellness for details on eligibility for you and your dependents and information on the available benefits plans, options, and rates.**
 If considering an HMO or managed care health plan, be certain your family’s personal care physicians participate in the plan you are considering. If you want to know if your provider participates with a particular plan, contact your provider and ask.
- 3) Please set aside time to review the [benefits](#) AND [enrollment](#) websites carefully.**
- 4) Once enrolled online, your health benefits are retroactive to the date of hire or date of eligibility and remain in effect until December 31, 2020** (as long as you remain eligible). Compare options carefully; the next opportunity to choose differently will be during the next Open Enrollment event unless you experience a qualified family status change. See hr.umich.edu/changing-your-benefits for details.

Quick Guide to U-M Benefits Plans

Following is a list of the benefits plans U-M currently offers to benefits-eligible faculty, staff and students and the enrollment steps for each plan. - **LIMITATIONS:** Once you have submitted your benefits elections, or after your enrollment deadline has passed, you will not be able to change health, dental, legal or vision plans, or your FSA, until the next Open Enrollment period, unless you experience a qualified family status change that impacts eligibility for benefits. Open Enrollment is usually in October and new benefits elections go into effect January 1.
- **DUAL U-M FAMILIES:** If two members of a household work at U-M and/or have U-M benefits as a retiree, special conditions may apply. You cannot cover under your U-M benefit plans: (1) Anyone who works for U-M and has his or her own coverage as an employee of U-M; (2) Any eligible dependents who are already covered by another employee of U-M, unless you are court-ordered to provide such coverage; (3) Anyone who is not your legal spouse or eligible dependent; (4) Yourself if you are covered by another U-M employee as a dependent on their benefit plan.
- **WAIVE BENEFITS:** You may elect to waive your U-M benefits. When you waive health coverage you also waive prescription drug coverage. Before you waive your U-M coverage, be sure to read and understand the conditions that may allow you to enroll in a U-M health plan if you should lose your coverage through another employer or group health plan.
- **EFFECTIVE DATE:** All health benefits are retroactive to your date of hire or date of eligibility. Flexible Spending Account enrollments begin the first of the month after the appropriate forms are received by SSC Benefits Transactions. Retirement Savings Plan enrollments generally become effective with the next available paycheck after your enrollment is completed.
