The COVID-19 pandemic has had a profound impact on all of us. Loss, grief, and stress are common and normal responses to the current events.

Join us via Zoom for discussion, reflection, and practical coping skills that acknowledge experiences of loss and stress in the healthcare environment and also in our personal lives. Additional smaller group support sessions are also offered to share experiences of loss, both personal and in your professional role. See registration page for details about group options.

To register, scan QR code or visit: https://www.eventbrite.com/e/compassionate-conversation-honoring-our-experiences-of-loss-tickets-104756465408

This offering is sponsored by the Honoring Life and Loss: Grief Awareness for Faculty and Staff initiative and the Michigan Medicine Office of Counseling and Workplace Resilience.
