COVID-19 TESTING, ISOLATION, AND QUARANTINE GUIDELINES FOR MICHIGAN MEDICINE WORKFORCE MEMBERS

**VACCINATED WITH OR WITHOUT BOOSTER**

**Asymptomatic Employees**
- May continue to work
- Do not report the exposure to OHS
- Get tested at 2 days following exposure and
- Get tested 5-7 days following exposure using the Community Sampling and Tracking Program (CSTP)

**POSITIVE FOR COVID-19**
- May return to work 7 days after positive test
- A negative home antigen test is required to return to work after 7 days

**Symptomatic Employees**
- Do not come to work
- Use the MyUofMHealth patient portal to assess eligibility and schedule a COVID-19 test
- If you are unable to access the portal, call OHS for a COVID-19 test: (734) 764-8021 between 7 a.m. - 5 p.m. 7 days/week

**UNVACCINATED**

**Asymptomatic Employees**
- Do not come to work for 7 days from date of exposure
- Do not report the exposure to OHS
- A negative home antigen test is required to return to work after 7 days
- Employees who tested positive for, and recovered from, COVID-19 within the previous 90 days are exempt from quarantine following an exposure, as long as they remain asymptomatic.

**POSITIVE FOR COVID-19**
- May return to work 7 days after positive test
- A negative home antigen test is required to return to work after 7 days

**Symptomatic Employees**
- Do not come to work
- Use the MyUofMHealth patient portal to assess eligibility and schedule a COVID-19 test
- If you are unable to access the portal, call OHS for a COVID-19 test: (734) 764-8021 between 7 a.m. - 5 p.m. 7 days/week

- May return to work when both are met:
  - 7 days have passed since symptoms began
  - 24 hours have passed without fever
- A negative home antigen test is required to return to work after 7 days
