2020 Big Event Produce Session Links:

1. **MIFMA (Michigan Farmer’s Market Association)**
   Find a Farmer’s Market near you that sells food produced locally. Michigan Farmers Market Association (MIFMA) provides a lot of information about local Farmer’s Markets. They even have a [list of locations](#) that sell produce that was grown using a hoophouse as a season extender.

2. **Growing Herbs Inside**
   Fresh herbs add amazing flavor and can easily be grown in small, indoor pots. [Growing herbs inside](#) is a simple process and can add flavor and nutrients to winter dishes.

3. **MSU-Extension Michigan Fresh**- Helps you find tips on growing, handling and preserving as well as healthful recipes to take advantage of the delicious Michigan grown bounty from your backyard or local farmer’s market.
   [Michigan Fresh](#)

4. **Half Your Plate**
   [Home Storage Guide for Fresh Fruit and Vegetables](#)

5. **American Heart Association**- Keep Fruits and Vegetables Fresh Longer/Storage Tips

6. **Argus Farm Stop**- We’re a new model for selling locally grown produce, meats and dairy -- a next generation of the traditional farmer’s market model -- making it easier to purchase local goods and produce from your favorite local farmers!
