Is your spouse also employed by U-M? If yes, spouse's name _____

Spouse's SSN or UMID _____

3. Flexible Spending Account Participants Release of Liability.

I release the University of Michigan and its Flexible Spending Accounts claims processor, PayFlex, from any liability incurred if I submit ineligible expenses for reimbursement or if I fail to follow the regulations for the Flexible Spending Account. I have read the Flexible Spending Accounts plan book available from hr.umich.edu and I understand the agreement and confirmation set out on page 2 of this form concerning flexible spending accounts.

***Effective Date: Your account becomes effective the first of the month following the date the enrollment form is received by SSC Benefits Transactions, your date of hire, or the date you become newly-eligible, whichever is later.** For example, if your date of hire is March 1, and your Flexible Spending Account enrollment form is received March 10, your account becomes effective April 1, and only eligible expenses incurred on or after your April 1 effective date through March 15 of the following year would be eligible for reimbursement from your current FSA. You must re-enroll each year you wish to participate.

Effective* (month) _____ through December 31, 2018, I authorize the University of Michigan to make the above pretax deductions on a monthly or bi-weekly basis, as appropriate, to fund my Flexible Spending Account(s) for health care expenses and/or dependent care expenses.

I certify that the Health Care Flexible Spending Account debit card will only be used for eligible medical care expenses for myself and my eligible dependents.

2018 Flexible Spending Account Deduction Authorization Form

Agreement and Confirmation

By my signature on the Flexible Spending Account Authorization Form, I confirm that I understand and agree to the following requirements of participation in a flexible spending account.

Annual Contribution Amounts

1. There are minimum and maximum amounts that can be contributed to the Flexible Spending Accounts each year. For a Health Care FSA, the minimum annual contribution is \$120 and the maximum is \$2,600. You and your spouse may each open a Health Care FSA, however, you cannot file claims for the same expenses on both accounts. For example, if your spouse claims your expenses under his or her FSA, then you can't also claim them under your FSA.

The Dependent Care FSA contribution limit is per household. The minimum annual contribution is \$120 and the maximum is up to \$5,000 (\$2,500 if married and filing separately). Keep in mind, this amount may be less based on your family gross earnings and tax filing status. See "Special Limits for Highly Compensated Faculty and Staff" below for information on IRS rules that may impact your Dependent Care FSA contribution amount.

Visit the PayFlex website at www.payflex.com for help estimating your eligible annual expenses and determining how much to contribute to a Health Care FSA and/or a Dependent Care FSA.

Deductions

2. Deductions will occur over 12 paychecks for faculty and staff members paid monthly, and over 24 paychecks for staff members paid bi-weekly. Deductions for mid-year enrollments will be based on the number of paychecks remaining in the calendar year after the effective date. Deductions cannot be taken from stipend or fellowship funds. No deductions will be taken during periods such as a leave when the enrollee is not receiving a salary from the university.
3. **Deductions cannot be changed or canceled during the current election period unless a qualified family status change occurs (marriage, divorce, birth of baby, etc.) in which event the coverage change must be consistent with the change in status.** If such a change occurs, the participant must provide documentation of the change by submitting a Health Care FSA and/or Dependent Care FSA Request for Change in Status form to SSC Benefits Transactions **within 30 days** of the event. Otherwise, the change cannot be made until the next Open Enrollment period.
4. Changes in deduction amounts will be effective the first day of the month following the receipt of the authorization form or date of eligibility, whichever is later. For example, assume that you enroll in a Health Care FSA to begin on January 1 and designate an annual contribution amount of \$300. Then, on April 1 you increase the annual contribution amount to \$1,000 due to a family status change. Between January 1 and March 31, \$300 is available for incurred expenses. Any expenses incurred after April 1 are eligible for reimbursement up to \$1,000, assuming no claims were previously filed.

Claims

5. Eligible expenses incurred on or after the effective date of coverage through March 15 of the following year can be claimed for reimbursement. Duplicate reimbursement is not allowed. That is, expenses cannot be reimbursed by another source (such as a health insurance plan) or taken as an income tax deduction *and* reimbursed under a flexible spending account.
6. Be sure to sign your claim form. PayFlex will not process a claim if the form does not include your signature.
7. A claim form for reimbursement from a Health Care Flexible Spending Account

must be accompanied by an itemized receipt and/or an Explanation of Benefits (EOB) form. An EOB form is provided by the health insurance company after a claim is filed. HMOs do not provide EOB forms. Participants who are enrolled in an HMO should submit an original itemized bill to document expenses.

8. For Health Care FSA expenses not covered by insurance, reimbursement requests will not be processed without acceptable evidence of your expenses. PayFlex will not accept canceled checks in lieu of a bill or receipt. Receipts must include the type of service, date expense was incurred, patient's name, name of the provider of service, and amount of expense. Statements showing only previous balances, or the amounts paid or balances due are not acceptable documentation.
9. You can fax your claims forms. PayFlex has established a toll-free fax number, (855) 703-5305, for the exclusive use of U-M FSA participants. Keep a copy of the fax transmission report as documentation the fax was successfully transmitted and received by PayFlex.
10. Keep a copy for your personal files for all documentation submitted to PayFlex. Bills or receipts cannot be returned.
11. Flexible Spending Account claims received by PayFlex, claims processor for the university's FSA accounts, will generally be reimbursed within 15 business days from the date PayFlex receives your claim form. Dependent care reimbursements will not exceed the balance in the account as of the first of that month.
12. Funds cannot be transferred between the two types of accounts. Participation cannot be transferred to a spouse.
13. All eligible claims must be submitted to PayFlex by the cutoff date, May 31 of the following year. Any funds that remain in the accounts as of June 1 of the following year will be forfeited in accordance with IRS regulations. There are no exceptions to this rule. In accordance with IRS regulations, the university uses forfeited funds to pay administrative costs of the FSA program.

Special Limits for Highly Compensated Faculty and Staff

14. The IRS allows pre-tax contributions to an FSA as long as the plan does not favor highly compensated employees (HCE) as defined by the IRS. You are considered "highly compensated" if you had family gross earnings of \$120,000 or more in the prior calendar year. In accordance with IRS regulations against discrimination, the Benefits Office examines FSA plans each year to ensure that they do not disproportionately benefit employees the IRS considers "highly compensated." The Benefits Office determines the amount that can be contributed to a Dependent Care FSA by an HCE at the beginning of each year (\$3,600), but if at any time during the year that ratio is not being met, the university will reduce contributions made by participants whose family gross earnings are \$120,000 or more to ensure compliance with IRS rules. If you are an HCE, your deduction may not exceed \$3,600 per family for a married couple filing jointly, or for a single parent. For an HCE married person filing separately the limit is \$2,500. If a Dependent Care FSA fails the nondiscrimination test, highly-compensated employees will be taxed on all of the dependent care assistance benefits they received during the calendar year. Employees who are not highly compensated are not affected by this rule.

General

15. This agreement expires no later than December 31, 2018. A new agreement is required each year you wish to participate.
