

Action Required on your Hyatt Legal Plans' FraudScout Activation

Hello,

Over 12.6 million Americans were victims of identity theft last year. You've made the smart choice to enroll in the Hyatt Legal Plan and receive credit monitoring services through FraudScout to protect you from this growing crime.

Once activated, the platform will scan your identity on a daily basis for changes to your credit profile and for fraudulent activity utilizing your name and other personally identifiable information. It's easy to set-up and it's a key part to proactively managing your identity.

Activating your enrollment is as simple as following the instructions below.

To activate:

1. Go to https://www.myidmanager.com/hyattlegal/promo_code.html
2. Enter your Registration Code: <your personal code>
3. Follow the prompts to authenticate your identity

It's that easy!

If you have any questions about the registration process or the service, contact us directly at 1-800-406-7194.

Please note, FraudScout is available only to you, the employee, and is not extended to your enrolled dependents.

Sincerely,

IDT911 Resolution Center
