

# Walking Map NCRC – 3

1. Start at visitor/gold parking and follow sidewalk that wraps around the buildings north
2. Once you reach the most northeast corner of the parking lots, cut back southwest until you reach the drive that separates the lots. After the drive ends, cut southwest across the last parking lot
3. Walk to sidewalk that runs parallel to Huron Pkwy., and head south (toward UMTRI)
4. When you pass Building 520, turn left and walk the perimeter of parking lots NC85 and NC 86
5. Follow sidewalks back to visitor/gold parking

**\*You can add more distance to this walk by adding the optional part of the route marked in green. Adding the part in lot NC83 adds about 0.5 miles and adding the part between the NCRC and UM Transportation Research Institute entrances add 0.2 miles to the walk\***
