1. Begin outside on the west side of the Naval Architecture and Marine Engineering Building. Walk west and cross Draper Dr.
2. Turn right, then turn left before Hayward St.
3. Turn left in between the Michigan Engineering Programs building and the FXB. Follow the sidewalk straight past the wave field, then turn right and right again to walk along the side of the FXB.
4. Walk back towards Hayward St. and turn left. Cross Beal Ave. and turn left.
5. End at the northeast corner of the Lurie Engineering Center.
