

Walking Map

North Campus Sculpture Walk – 4

1. Start outside at the northwest corner of the Art and Architecture building. Begin walking east and turn right once you pass the building
2. Walk to the end of the Engineering Research Building and turn around (walking north). Turn right in front of the Engineering Research Building
3. Once the Engineering Research Building ends, turn right and walk south, along the building. Then, turn left, walking between the Gerstacker Building and the School of Information
4. Once you pass the Lurie Biomedical Building, turn right and walk around the Ford Library. Then, walk north along the west side of the Bentley Library
5. Turn right before you reach Bonisteel Blvd. and end at the northwest end of the Gerstacker Building
