

The University of Michigan College of Pharmacy and the Great Lakes Clean Water Organization present:

Safe Medication Disposal Event

Tuesday, October 6, 2015 | 10 am – 2 pm

South Side of N. University Avenue
(next to the Chemistry building)

Proper medication disposal for any expired or unused medications prevents dangerous exposure of drugs to the community and environment.

Bring any unused medications for proper disposal, and learn more about safe medication disposal practices and locations!
