E. Duration of Remote Work Agreement

The agreement duration is documented in Part A. Prior to the end of this agreement, employee may request a review for a possible extension which must be documented and submitted to employer's manager. This agreement must be reviewed and updated at least annually.

After each review, employer's manager, in consultation with (insert unit) _____, will determine whether the arrangement should (1) continue, (2) be modified or (3) end. If the determination is that remote work is to end, a written statement to this effect will be entered into the employee's personnel file. If the determination is that remote work is to continue, a new RWA will be required setting forth the new duration and any other modifications.

Notwithstanding the expected duration of employee's remote work assignment, remote work is intended as a temporary arrangement and U-M maintains the right to terminate the remote work arrangement at any time for any reason. Such a termination will be communicated in writing with every effort made to provide reasonable notice of termination. Furthermore, this agreement does not alter or modify the at-will status of the employee. If the employee desires to terminate this agreement, notice must be given in writing to the employee's immediate supervisor at which time options for return to in-person employment will be explored, and to the extent such option exists, reasonable efforts will be made to return the employee to campus.

F. Conditions of Employment and Pay Status

Employee is required to comply with all U-M policies and guidelines, as set forth in the U-M's Standard Practice Guide (SPG), as well as college and departmental policies and procedures as if working at the primary (or campus) work location. Requests for overtime, sick leave and change of work schedule will be approved in the manner in which they are approved at the primary (or campus) work location.

G. Performance Expectations Related to Remote Work

1. Work product and programs developed by employee remain the property of U-M. Employee agrees to spend time on officially approved duties while working at the RWL. Employee agrees to consult with employee's supervisor, through mutually agreed-upon modes of communication to receive or review completed assignments.

2. Employee must record time, as appropriate, based on employee's exemption status in Wolverine Access Self Service Timekeeping.

3. Employee must report technical failures or technical limitations at the RWL that impair employee's ability to complete required work as soon as possible. Employee will be expected to relocate to a viable RWL, return to the primary (or campus) work location within the timeframe specified by employee's supervisor or manager, or use approved leave time during the period impairment. U-M is committed to working reasonably and proactively with the employee during such circumstances, but employee understands and acknowledges that employment may be terminated if technical failures and limitations result in the inability to perform necessary job functions.

4. It is employee's responsibility to give accurate and up-to-date information to the supervisor, team members, customers and other business contacts, regarding work location and hours.

5. Certain meetings are mandatory and will require the employee to be present. Reasonable notice of upcoming meetings will be given. If a face-to-face work meeting is necessary, it is employee's responsibility to attend the meeting unless other arrangements have been approved by the supervisor. Additionally, employee acknowledges that there may be times at the supervisor's discretion when the employee's in-person presence is required for U-M-related business.

H. Insurance, Health and Safety

Employee will provide and maintain a designated workspace at the RWL. Worker's Compensation liability will be limited to work-related injuries/illnesses at this workspace and not all areas of the home/RWL. Employee is responsible for immediately informing the supervisor of any potential work-related injuries/illnesses. U-M will be responsible for any work-related injuries as stated under the Worker's Compensation laws applicable to the RWL. Employee agrees to participate in periodic health and safety inspections of the RWL, if requested, to ensure compliance with U-M safety and ergonomics standards. Transportation between the primary (or campus) work location and the RWL and any accident that may occur in transit is employee's responsibility. When employee's presence is required at

a primary (or campus) work location, employee is not considered to have arrived at the work location until the destination is reached. Travel to and from the primary (or campus) work location is not considered work time and the employee bears the expense of said travel.

I. Security of Information

Employee may not compromise the confidentiality or security of U-M information due to remote work. This includes maintaining data security and confidentiality to the same degree maintained by the U-M. Employee must comply with the policies and guidelines of proper use of information technology found in the Standard Practice Guide. Breaches of information security, whether by accident or design, during remote work may result in the termination of the agreement and/or disciplinary action up to and including discharge. See <http://safecomputing.umich.edu/> for more information and requirements.

J. Reimbursements and Remote Work Expenses

Unless otherwise agreed, employee is responsible for all expenses related to remote work, including, but not limited to internet connectivity, cell phone usage, and commuting. Employee must obtain supplies through U-M and only supplies that are regularly stocked will be available. Employee will not be reimbursed if supplies are obtained elsewhere. Expenses not specifically covered in this agreement will be dealt with on a case-by-case basis, taking into account the reasonableness of the expense and the department budget for the program/project(s). Employee cannot be assured of reimbursements for expenses not authorized or approved in advance.

K. Domestic Care

During established work hours at the RWL, employee agrees that family care demands shall not compete with work except in the case of an emergency when the applicable time off options will be used. Remote work will not be a substitute for family care demands.

L. Tax Liability

The tax consequences of remote work are the employee's responsibility and the employee agrees to indemnify and hold U-M harmless for any tax consequences or liabilities associated with this remote work arrangement. Employees are encouraged to seek professional advice in this area.

M. Local Zoning Ordinances

Employee is responsible for observing any municipal zoning ordinances regulating the performance of work at home for remote work purposes.

N. Liability

Except as stated elsewhere in this agreement, employee understands and agrees employee is liable for any and all claims, demands, judgments or liabilities (including any related losses, costs, expenses and legal fees) resulting from any injury and/or damage to any person or property at the RWL that is unrelated to employee's employment duties or otherwise caused by employee's willful misconduct at the RWL. Employee is encouraged to seek professional advice regarding personal insurance coverage considerations associated with this work arrangement.

O. Remote Work Agreement Safety Guidelines

Employee acknowledges his or her review of UHR's Ergonomics Self Help standards located at hr.umich.edu/mhealthy/ergo-self-help.

P. Signatures & Attestation

The information provided within this Remote Work Agreement (RWA) is accurate and will be followed. If any information changes, it is employee's duty to inform the supervisor or manager and to initiate the completion of an updated agreement. The parties have read and understand this agreement and agree to the duties, obligations, responsibilities and conditions described within. Employee further understands that U-M may, at any time, change any or all of the conditions under which remote work is permitted or altogether withdraw permission to work remotely, and that this agreement does not alter the employee's at-will employment status or otherwise provide an entitlement to remote work in perpetuity. This agreement replaces and supercedes all prior flexible or remote work agreements and/or arrangements. The employment relationship between UM and the employee shall be governed by the laws of the state of Michigan and this agreement shall be construed under the laws of the state of Michigan.
