STANDARD PRACTICE GUIDE 201.30-2 - RELATING TO SABBATICAL LEAVES OF ABSENCE**I. Policy**

Sabbatical leaves of absence may be granted to provide the faculty member an opportunity for an intensive program of research and/or study, thus enhancing his/her effectiveness to the University as a teacher and scholar.

II. Regulations and Definitions

- A. Eligibility: Members of the regular instructional faculty who have completed six years of service in regular professorial ranks at the University are eligible for a sabbatical leave.
- B. Duration and Compensation
 - 1. A sabbatical leave may be granted for an entire annual appointment period or for one-half of the annual appointment period. The annual appointment period is defined as either a twelve-month or a University-year period.
 - 2. The faculty member granted a sabbatical leave for the entire appointment period shall receive one-half of the faculty member's regular salary. A sabbatical leave granted for one-half of the annual appointment period provides regular salary.
- C. Extra Compensation During Sabbatical Leave
 - 1. A member of the professorial faculty on sabbatical leave shall not render service for compensation in the University or another institution or enterprise. This does not preclude, however, the acceptance of a fellowship or other assistance in research. In each such case the source of additional funds and the fact that their use materially aids the planned research program of the faculty member shall be fully set forth in the request for sabbatical leave, or if not known at that time, prior to the effective date of the sabbatical leave.
 - 2. Compensation received from acceptance of a fellowship or other assistance in research including the sabbatical leave salary may not exceed the regular salary of the faculty member.
- D. Application for Sabbatical Leave: Application for sabbatical leave shall be made in writing and submitted to the Dean of the unit concerned not later than February 1 preceding the appointment year within which the leave is desired. The application must be accompanied by a statement of a well-considered plan for the sabbatical which includes its significance as a contribution to the professional effectiveness of the applicant and the best interest of the University.
- E. Completion of Sabbatical
 - 1. Upon completion of the sabbatical leave, the recipient shall submit a report of the results of the leave within 90 days following return from leave. The report shall be submitted to the chairman who will acknowledge receipt of the report (via memo) and forward a copy of the acknowledgment memo to the dean and the HRRIS Office. (In some instances, the dean's office may require a copy of the report.) The report shall include:
 - a) An account of activities during the leave, including travel itineraries, institutions visited and persons consulted.
 - b) A statement of progress made on the sabbatical leave program as proposed in the application and an explanation of any significant changes made in the program.
 - c) An appraisal of the relationship between the results obtained and those anticipated in the sabbatical leave program statement.
 - 2. A faculty member granted a sabbatical leave is required to return to the University for a period of at least one year following the completion of the sabbatical leave.
- F. Determination of Years of Service
 - 1. Years of service determined by the number of annual appointment periods (i.e., six 12-month appointments, six University-year appointments, or a combination of both totaling six).
 - 2. Leaves of absence without salary are not considered in determining years of service applicable toward the sabbatical eligibility requirement.
 - 3. Leaves of absence with salary (e.g., sick leave) are considered in determining years of service.
- G. Health and Life Insurance: Subject to, and consistent with the Group Health Insurance Plans and the Group Life Insurance Plan, coverage will be continued during a sabbatical leave of absence, unless specifically cancelled by the faculty member through visiting or writing the Benefits Office.
- H. Retirement Plan: For each month the faculty member receives full pay, retirement contributions will continue at the full salary rate. For each month in which the pay received is one-half of the faculty member's full salary, contributions will continue based on the one-half full salary rate.
- I. Disability Plan: Disability plan protection will continue during sabbatical leave.
- J. Sick Leave Plan: Sick leave plan benefits will continue during sabbatical leave.
