

CALL FOR NOMINATIONS

It's time to celebrate staff who provide exemplary service to the University of Michigan; to shine a light on the individuals, teams, and supervisors who live our values of disciplined work, collaboration, positivity, social responsibility, and innovation. It's time to submit nominations for the Staff Impact Awards.

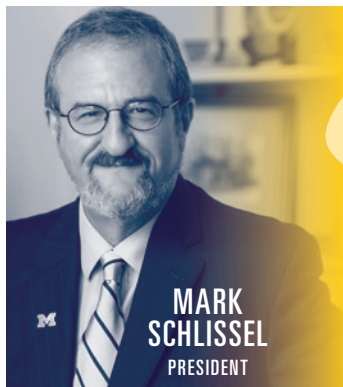

New! One Nomination Process for Two Award Programs.

The President's Staff Innovation Award Program is now a part of the Staff Impact Awards Program. That means there is a single nomination process for staff and teams to be eligible for both the Staff Impact Awards and the President's Staff Award of Distinction.

**Nomination
Deadline:
January 16, 2019**
