The Regents of the University of Michigan (hereinafter called the "University") and the University of Michigan Skilled Trades Union, Inc. (hereinafter called the "Union") agree as follows:

ARTICLE 1

RECOGNITION AND DEFINITIONS

SECTION A

DESCRIPTION OF UNIT

- 1-1 Pursuant to and in conformity with the Certification issued by the Michigan Labor Mediation Board on November 17, 1967 in Case No. R65 H-25, and subsequent negotiations between the parties, and subsequent certifications from the Michigan Employment Relations Commissions, the University recognizes the Union as the exclusive representative for the purposes of collective bargaining in respect to wages, hours, and other conditions of employment for all employees in the following classifications:

Electricians; Sheet Metal Workers; Roofers; Painters, including Sign Painters and Spray Painters; Masons; Plasterers; Carpenters, including Cabinet Makers; Heavy Equipment Operator Underground Specialists; High Voltage Electricians; HVAC Control Specialists; Plumbers, including Pipecoverers and Steamfitters; Heavy Equipment Operators; Telecommunication Specialists; Welders; Construction Laborers; Materiel Expeditors-Trades; Sanitary & Storm Water Systems Specialists; AC & Refrigeration Mechanics; Industrial Electricians; Industrial Machinists; Fire Alarm Electricians; Elevator Mechanics; Central Power Plant Electricians; Glaziers; Mechanical Systems Field Service Specialists; Medical Equipment Repairers and all Apprentices to the foregoing at any location or facility of the University of Michigan; EXCLUDING Temporary and Student Help; Professional Employees; Teaching Faculty; Research Staff; Office Clerical Employees; Technical Employees; Supervisors, and all other employees.

SECTION B

DEFINITIONS

- 1-2 The term "employee" and "employees" as used in this agreement (except where the agreement clearly indicates otherwise) shall mean only an employee or employees within the bargaining unit described in Section A.
- 1-3 The term "temporary help" shall mean any individual or individuals hired by the University whose employment is limited in duration, unless otherwise agreed to by the Union, to not more than (100) work days, within the same department or seniority group, during the consecutive twelve (12) month period beginning with the individual's date of hire, except that the employment of any such individual hired during the months of April or May shall not exceed 150 work days or October 31, whichever occurs first. Temporary help is intended to be used for 1) a specific project, 2) the purpose of relieving employees who are absent due to sickness or injury, leave of absence, or vacation, or 3) augmenting the regular work force of employees to meet the requirements of the University that may be occasioned by termination, dismissal, increased workloads, or other conditions that may create short-term staffing shortages. It is understood that "temporary help" will not be utilized to the extent an employee is displaced.
- 1-4 Contract Vendor Labor are third party contractors utilized by the University to augment the regular and temporary workforce, and they are not subject to the work duration limitations stated in paragraph 1-3 above. It is the parties' intent that typical bargaining unit work be performed by employees within the bargaining unit whenever practicable.

When an individual employee of contract vendor labor has worked 200 days in a seniority group, continuously or in aggregate, he/she will be released for a minimum of 70 calendar days before he/she can be reassigned to the seniority group as an employee of contract vendor labor. The individual employee of contract vendor labor shall not be hired as temporary help during the 70 calendar day period. Any increment of time worked in a day will be considered a day worked. If an individual employee of contract vendor labor has not been assigned to a seniority group in 70 or more calendar days, the 200 workday

counter will start/reset upon their assignment to a seniority group. The 200/70 rule will take effect six weeks after ratification of a new Agreement.

In a departmental unit, if the number of employees of contract vendor labor in a classification does not drop below two for at least 35 continuous calendar days during the period of August 1st through July 31st, upon request of the Union, a Special Conference shall be held to discuss if there is a need to increase the number of employees in that classification. It is understood that the University determines the size of the work force. This paragraph is subject to the grievance and arbitration procedure. However, a grievance under this paragraph is limited to a claim that an individual employee of contract vendor labor exceeded 200 workdays in a seniority group without a 70 calendar day break, and the remedy is limited to the removal of the individual employee of contract vendor labor from the seniority group for a minimum of 70 calendar days.

- 1-5 The term "full-time employee" shall mean an employee whose normal schedule of work is forty (40) hours per calendar week.
- 1-6 The term "part-time employee" shall mean an employee whose normal schedule of work is less than forty (40) hours per calendar week.

ARTICLE 2

MANAGEMENT RIGHTS

- 2-1 The University retains, solely and exclusively, all its inherent rights, functions, duties, and responsibilities with the unqualified and unrestricted right to determine and make decisions on all terms and conditions of employment and the manner in which the operations of the University will be conducted except where those rights may be clearly, expressly, and specifically limited in this agreement. It is expressly recognized, merely by way of illustration and not by way of limitation, that such rights, functions, duties, and responsibilities which are solely and exclusively the responsibility of the University include, but are not limited to: (1) full and exclusive control of the management of the University, the supervision of all operations, methods, processes, means, and personnel by

which any and all work will be performed, the control of property and the composition, assignment, direction, and determination of the size and type of its working forces; (2) the right to determine the work to be done and the standards to be met by employees covered by this agreement; (3) the right to change or introduce new operations, methods, processes, means, or facilities, and the right to determine whether and to what extent work shall be performed by employees; (4) the right to hire, establish, and change work schedules, set hours of work, establish, eliminate, or change classifications, assign, transfer, promote, demote, release, and lay off employees; (5) the right to determine the qualifications of employees and to suspend, discipline, and discharge employees for cause and otherwise to maintain an orderly, effective, and efficient operation.

2-2 Nothing in this Article shall be construed to prevent a filing of a grievance in accordance with Article 42.

ARTICLE 3

SPECIAL CONFERENCES

3-1 At the request of either the Union, or the University, Special Conferences shall be held for the purpose of considering matters of mutual interest other than grievances under consideration in the Grievance Procedure, provided that mutually acceptable arrangements can be made. Safety, Apprenticeship Training, Insurance and other benefit plans will be appropriate subjects for Special Conferences. All such Special Conferences shall be arranged through a designated representative of the University Human Resource Office. Employees, not to exceed four (4), shall not suffer loss of time or pay when attending Special Conferences during their normal working hours. Conferences may be attended by officials of the Washtenaw County Skilled Building Trades Council, Inc. At the request of either the University or the Union the other party will respond in writing to written matters of mutual interest presented by either party within fourteen (14) calendar days of the date of the Special Conference, unless both parties mutually agree to another time limit.

ARTICLE 4

NO-STRIKE GUARANTEE

- 4-1 Under no circumstances shall the Union, its officials, affiliates, or its members prohibit or restrict the right of any person to unlimited ingress and egress of University premises, nor shall any employee or employees cause or take part in any strike, work stoppage, sit down, slow down, curtailment of work, restriction of production, or any picketing or similar demonstration at any location on the University premises during the term of this Agreement. This shall not be construed as limiting individual participation in an activity that is unrelated to the employment relationship.
- 4-2 In the event of any such action or interference and on notice from the University, the Union, without any delay, shall take whatever affirmative action is necessary and is within its authority and power to prevent and bring about the termination of such action or interference. Such affirmative action shall include the immediate disavowal and refusal to recognize any such action or interference, and the Union immediately shall instruct any and all employees to cease their misconduct and inform them that their misconduct is a violation of the agreement subjecting them to disciplinary action, including discharge.
- 4-3 In addition, the Union shall, within twenty-four (24) hours of notice to the Union by the University of any such action or interference, deliver the following notice to the University:
- "To all employees of the University represented by the University of Michigan Skilled Trades Union:
- "You are advised that the action against and interference with the operations of The University of Michigan which took place (date) is unauthorized by the Union and in violation of the collective bargaining Agreement. You are directed to cease this action and interference immediately."
- 4-4 An authorized official of the Union shall sign the notice.
- 4-5 In the event that an employee or employees shall refuse to cease such action or interference, the University agrees that it will not file or prosecute any action for damages arising out of such action or interference against the Union, its officials, or representatives if the Union, its officials, and

representatives perform their obligations as set forth in this Article.

4-6 Nothing herein shall preclude the University from seeking legal or other redress of any individual who has caused damage to or loss of University property or from taking disciplinary action, including discharge, against any employee.

4-7 In the event of any such action or interference, the University may suspend all benefits under this Agreement with respect to any employee taking part in the action or interference.

ARTICLE 5

NON-DISCRIMINATION

SECTION A

5-1 Neither the Union, its officials, its employees, its affiliates, nor its members shall discriminate against, intimidate, coerce, or interfere with any University employee, whether represented by the Union or not, with respect to the employee's work, or with respect to Union activities, or membership or the right to refrain from engaging in any Union activities or membership.

SECTION B

5-2 The University shall not discriminate against, restrain, intimidate, or coerce any employee with respect to or because of the employee's membership or lawful Union activity.

SECTION C

5-3 The University and the Union agree that there will be no discrimination in the application of this Agreement because of race, color, national origin, age, marital status, sex, sexual orientation, gender identity, gender expression, disability, religion, height, weight, veteran status, or any other factor prohibited by applicable federal and state laws.

5-4 Nothing in this Agreement shall be construed to prevent the University from making reasonable accommodations to

persons with disabilities as required by State and Federal laws.

- 5-5 Nothing in this Section shall be construed to prevent an employee alleging discrimination from exercising constitutional or statutory rights which may be available.

ARTICLE 6

UNION SECURITY

SECTION A

UNION DUES OR SERVICE CHARGE

- 6-1 During the life of this Agreement and to the extent the laws of the State of Michigan permit, every employee, beginning with the month following (1) thirty (30) calendar days after the execution date of this Agreement or (2) thirty (30) calendar days after employment in the bargaining unit, whichever date is the later, and monthly thereafter may tender to the Union either periodic and uniformly established dues or, in the alternative, a service charge in an amount equivalent to periodic and uniformly established dues. Uniformly established dues or an equivalent service charge as used in this Article and in Article 7 shall mean that amount of uniform dues established by the affiliate of the Washtenaw County Skilled Building Trades Council for the classification in which the employee is classified.

SECTION B

- 6-2 The Union shall indemnify and save the University harmless from any and all claims, demands, suits, or any other action arising from this Article.

SECTION C

- 6-3 The University will inform the President when any employee(s) represented by the Skilled Trades Union is scheduled for new employee orientation. The President will conduct a Union orientation with the new employee(s) for a reasonable period of time, within the new employee orientation schedule. Items such as the Voluntary Authorization for Deduction of Dues or Service Charge form (which will be furnished by the President), will be discussed.

- 6-4 The President shall return all completed Voluntary Authorization for Deduction of Dues or Service Charge forms to the duly designated University office.

SECTION D

- 6-5 Notwithstanding the specific provisions of this Article, the University and the Union agree that if the amount of the service fee is formally challenged by an employee who is not a member of the Union, the Union shall have the sole burden of establishing the legal validity of the fee.

SECTION E

SAVINGS CLAUSE

- 6-6 In the event that the provisions of Public Employment Relations Act prohibiting the mandatory payment of union dues or a service fee are repealed and the agency shop language in MOU 14 is completely enforceable, the language in MOU 14 will be enforced. In the event of a partial repeal or modification of MCL 423.210 that does not result in the full enforceability of the language in MOU 14, the parties agree to negotiate over any changes to the Union security provisions of this Agreement.

ARTICLE 7

DUES OR SERVICE CHARGE CHECKOFF

- 7-1 During the life of this Agreement and to the extent the laws of the State of Michigan permit and as provided in this Article, the University will deduct one month's current uniform and periodic dues or service charge from the pay of each employee who voluntarily executes and delivers to the University the following authorization form:

**UNIVERSITY OF MICHIGAN SKILLED TRADES UNION

This authorization and direction shall be effective until revoked in writing by me on a form provided by the University or until the termination of the collective bargaining Agreement between the University and the Union which is in force at the time of delivery of this authorization, whichever occurs sooner; and I agree and direct that this authorization and direction shall be automatically renewed for the period of each succeeding applicable collective bargaining Agreement between the University and the Union until revoked in writing by me on a form provided by the University or until the termination of each applicable collective bargaining Agreement between the University and the Union, whichever occurs sooner. This authorization and direction shall be automatically revoked upon my termination of employment with the University.

- 7-6 The University shall not be liable to the Union by reason of the requirements of this Article for the remittance or payment of any sum other than that constituting actual deductions made from the pay earned by the employee. In addition, the Union shall indemnify and save the University harmless from any liability resulting from any and all claims, demands, suits, or any other action arising from compliance with this Article or in reliance on any list, notice, certification, or authorization furnished under this Article.

ARTICLE 8

BULLETIN BOARDS

- 8-1 The University shall provide the Union with space on bulletin boards at various University locations and one key for each glass enclosed lockable board. The Union's exclusive space on these boards shall be for the purpose of posting Union notices, and shall be sufficient for posting four (4) 8 1/2 by 11 inch notices. Such notices may be posted during working hours and without loss of time or pay by the steward, alternative steward, or the President at each of the following locations:
1. Plant Hospital Maintenance (two bulletin boards)
 2. Utilities Power & Lighting Shop
 3. Utilities High Voltage Shop
 4. Central Power Plant
 5. ITS Communication Services
 6. Housing Facilities Service Center
 7. Region Areas
 8. Plant (across from Welding Shop)
 9. Flint Campus
 10. Dearborn Campus
 11. Any other mutually agreed area. Upon mutual agreement, a bulletin board may also be removed from this list.

These notices shall be of this type:

- a. Recreational and social events of the Union;
- b. Union meetings;
- c. Union elections, appointments;
- d. Results of Union elections;
- e. Other Union related business.

8-2 In the event a dispute arises concerning the appropriateness of material posted, the Secretary of the Union and the President will be advised by the University Human Resource Office of the nature of the dispute, and the notices will be removed from the bulletin boards until the dispute is resolved.

ARTICLE 9

WORK SCHEDULES AND TRANSFERS

SECTION A

DEFINITIONS AND GENERAL PROVISIONS

9-1 For purposes of this Article, the following definitions shall apply:

1. Normal schedule of work: Workdays, and start and stop times that recur each calendar week.

A normal schedule of work for a full-time employee shall be eight (8) hours per day and forty (40) hours per week, excluding non-paid meal periods. Upon arrangements satisfactory to the University and the Union a normal schedule of work can consist of ten (10) hours per day and forty (40) hours per week. When there is an opening as defined in Article 20, paragraph 20-1, the University may create a normal schedule of work that consists of ten (10) hours per day, and forty (40) hours per week.

This definition shall not be construed as and is not a guarantee of any hours of work per day or per week, but the normal schedule of work shall not be reduced in order to avoid a layoff unless agreed to in advance by the Union.

A newly hired or transferred employee may be assigned to different workdays and/or start times for the purpose of training and familiarization for a period not to exceed ninety (90) calendar days.

2. Shift: On a workday, the shift is determined by the employee's start time.

Start time range

Day Shift 4:00 a.m. through 11:59 a.m.

Afternoon Shift 12:00 p.m. through 7:59 p.m.

Night Shift 8:00 p.m. through 3:59 a.m.

3. Workday: Calendar day determined by an employee's start time.

- 9-2 Changes and transfers under this Article will be made based on the operational needs of the University. The University will provide notice to the Union prior to making a long-term change under Section B or Section C, or a reallocation of the workforce under Section D. Upon request of the President, the Union will be afforded an opportunity to meet and discuss the proposed change or reallocation of the workforce.

SECTION B

**CHANGE TO AN EMPLOYEE'S START TIME
WITHIN THE SAME SHIFT**

- 9-3 Temporary Change: Employee's start time is changed within the same shift for fourteen (14) calendar days or less. Notice shall be given to the affected employee not less than seven (7) calendar days before the temporary change is to be effective, unless the employee and University agree to a shorter period.

Long-term Change: Employee's start time is changed within the same shift for more than fourteen (14) calendar days. Notice shall be given to the affected employee not less than fourteen (14) calendar days before the long-term change is to be effective, unless the employee and University agree to a shorter notice period. A long-term change will be made by classification within the affected departmental unit (See Appendix C). In making a long-term change, the University will first ask for volunteers from

the affected departmental unit. Volunteers will be assigned based on classification seniority, from highest to lowest within the affected departmental unit. If there are fewer volunteers than are needed, the remaining employees will be assigned based on classification seniority, from lowest to highest within the affected departmental unit.

An employee must have the requisite skill, knowledge and ability to perform the work required.

- 9-4 An employee may request, in writing, to intermittently flex their work schedule to a full or partial schedule within the same calendar week. If approved by the employee's supervisor, the employee and their steward will receive a written confirmation of the approval no later than the end of the employee's next regular work day. If approved, any daily overtime premiums in accordance with paragraphs 11-1 and 11-3 of Article 11, Overtime, shall be waived.

SECTION C

CHANGE TO AN EMPLOYEE'S WORKDAYS AND/OR START TIME TO A DIFFERENT SHIFT

- 9-5 Temporary Change: Employee's workdays are changed and/or start time is changed to a different shift for twenty-eight (28) calendar days or less. Notice shall be given to the affected employee not less than ten (10) calendar days before the temporary change is to be effective, unless the employee and University agree to a shorter notice period. A temporary change will be made by classification within the affected departmental unit (See Appendix C). In making a temporary change, the University will first ask for volunteers from the affected departmental unit. Volunteers will be assigned based on classification seniority, from highest to lowest within the affected departmental unit. If there are fewer volunteers than are needed, the remaining employees will be assigned based on classification seniority, from lowest to highest within the affected departmental unit.

Long-term Change: Employee's workdays are changed and/or start time is changed to a different shift for more than twenty-eight (28) calendar days. Notice shall be given to the affected employee not less than fourteen (14) calendar days before the long-term change is to be effective, unless the employee and University agree to a shorter notice period. A long-term change will be made by

classification within the affected seniority group (See Article 16, Section A). In making a long-term change, the University will first ask for volunteers from the affected seniority group. Volunteers will be assigned based on classification seniority, from highest to lowest within the affected seniority group. If there are fewer volunteers than are needed, the remaining employees will be assigned based on classification seniority, from lowest to highest within the affected seniority group.

An employee must have the requisite skill, knowledge and ability to perform the work required.

SECTION D

REALLOCATION OF THE WORKFORCE

- 9-6 No employee properly in the bargaining unit may be transferred out of the bargaining unit without the consent of the employee.
- 9-7 When the University has a need to reallocate the workforce, it will occur as follows. Reallocation of the workforce may occur in situations such as, but not limited to, lack of funding, lack of work, or reorganization.

If the transfer involves a change in an employee's start time or workdays, Section B or Section C of this Article will control.

1. A transfer from one seniority group (See Article 16, Section A) to another seniority group will occur as follows:

Notice shall be given to the affected employee not less than fourteen (14) calendar days before the transfer is to be effective, unless the employee and University agree to a shorter notice period. The transfer will be made by classification within the affected seniority group (See Article 16, Section A). Before making a transfer, the University will first ask for volunteers from the affected seniority group. Volunteers will be transferred based on classification seniority, from highest to lowest within the affected seniority group. If there are fewer volunteers than are needed, the remaining employees will be transferred based on classification seniority, from lowest to highest within the affected seniority group.

2. A transfer from one departmental unit to another departmental unit within the same seniority group will occur as follows:

Notice shall be given to the affected employee not less than fourteen (14) calendar days before the transfer is to be effective, unless the employee and University agree to a shorter notice period. The transfer will be made by classification within the affected departmental unit (See Appendix C). Before making a transfer, the University will first ask for volunteers from the affected departmental unit. Volunteers will be transferred based on classification seniority, from highest to lowest within the affected departmental unit. If there are fewer volunteers than are needed, the remaining employees will be transferred based on classification seniority, from lowest to highest within the affected departmental unit.

3. A transfer from one overtime unit of distribution (See Appendix D) to another overtime unit of distribution within the same departmental unit will occur as follows:

Notice shall be given to the affected employee not less than fourteen (14) calendar days before the transfer is to be effective, unless the employee and University agree to a shorter notice period. The transfer will be made by classification within the affected overtime unit of distribution (See Appendix D). Before making a transfer, the University will first ask for volunteers from the affected overtime unit of distribution. Volunteers will be transferred based on classification seniority, from highest to lowest within the affected overtime unit of distribution. If there are fewer volunteers than are needed, the remaining employees will be transferred based on classification seniority, from lowest to highest within the affected overtime unit of distribution.

An employee must have the requisite skill, knowledge and ability to perform the work required to be transferred.

SECTION E

EMPLOYEE REQUEST TO DISPLACE AN EMPLOYEE WITH LESS CLASSIFICATION SENIORITY

- 9-8 An employee that has been transferred involuntarily as a result of paragraph 9-5 long-term change or this paragraph can request a change to his/her start time, and displace the employee with the least classification seniority within the same classification and seniority group with the desired start time and days of work. The employee requesting the change in start time will submit a written request to his/her supervisor identifying the desired start time and days of work. The University may grant such a request provided the change does not adversely affect the operations of the University, and the employee has the skills and knowledge to perform the work competently. The Union will maintain a list that identifies employees that have been transferred involuntarily. Employees that make a voluntary transfer will be removed from the list. Notice of the change shall be given to the employee to be displaced as soon as practicable but in any event not less than fifteen (15) calendar days before the change is to be effective. The displaced employee will be transferred to a shift and position within the same classification and seniority group for which the employee possesses the requisite skills, knowledge and ability. In general, the displaced employee will replace the employee that requested the change in start time.

SECTION F

MEAL AND REST PERIODS

- 9-9 Meal periods shall be scheduled as to time and duration by the University. Meal periods of thirty (30) minutes or more shall be non-paid. Paid meal periods shall not exceed twenty (20) minutes.

There normally will be a rest period which shall be taken at a time determined by the University. Such rest period shall be with pay and shall under no circumstances exceed fifteen (15) minutes for each four (4) hours of work. The rest period is intended to be a recess from work to be preceded and followed by an extended work period. Consequently it may not be used to cover an employee's late arrival to work or early departure, to extend the meal

period, nor may it be regarded as cumulative if it is not taken.

No employee shall leave the employee's assigned work site prior to a rest or meal period, and must resume work at the end of a rest or meal period. An employee may leave his/her work site during a rest or meal period, however, in no case shall an employee use a University vehicle before, during or after a rest or meal period as a means of transportation to get to a place other than the employee's assigned work site. However, a University vehicle may be used as a place to take a rest or meal period when properly parked for access to the employee's assigned work site. Use of a University vehicle for purposes other than the performance of assigned work activities is prohibited. The University may prohibit the taking of rest and/or meal periods in specific locations of its facilities and grounds.

It is understood that the Union does not condone any abuse of this Section and that an employee who violates any requirement of this Section shall be subject to disciplinary action.

The parties agree that the University may establish a normal schedule of work that would combine one of the two 15 minute paid rest periods with an unpaid meal period that would be 15 minutes in duration. In such instances, the workday would consist of one paid rest period and a 30-minute meal period, which will be recorded as 15 minutes paid time and 15 minutes unpaid time. The goal of such a schedule of work is to increase efficiency by reducing from three rest/meal periods to two. Such a schedule will result in employees leaving work 15 minutes earlier than the schedule described in this Section.

The University will give 14 days notice to the Union and employees of the start or stop of such a schedule.

SECTION G

WASH-UP TIME

9-10 All employees shall be at the place designated by their immediate supervisor, ready for work, at their starting time and shall remain at their assigned work site and continue working until the end of their working period unless

otherwise instructed or excused by their immediate supervisor. Employees will be permitted time to wash-up as reasonably necessary.

SECTION H

WORKING OFF SITE

- 9-11 When an employee who normally works at job sites in the Ann Arbor area is required to work at a job site outside of the Ann Arbor area, the Plant Department Building, Hospital, Arbor Lakes or other maintenance service center on the Ann Arbor campus will be the designated place for starting and quitting, unless the employee lives closer to that job site than to these designated places or otherwise requests and is permitted to start and quit at that job site.

SECTION A

WAGE SCHEDULE

- 10-1 Wages shall be paid in accordance with the wage schedules as set forth in Appendix A, on a biweekly basis every other Friday throughout the calendar year. From the start date of the appointment, an employee who transfers from a regular University position to a regular, non-apprentice, Union position will receive the three month rate for the applicable classification.
- 10-2 If there is a pay shortage in an employee's check it will be corrected by payment in their next regular biweekly check.
- 10-3 If the pay shortage is \$100 or more the employee may request in writing, through their supervisor, an off cycle payment by their choice of 1) a Monday direct deposit to their designated account consistent with Central Payroll cutoffs, or 2) an online check issued as soon as practicable and no later than four full business days after the request. However, for the first check in January, any pay shortage due to wages earned in excess of an employee's normal schedule of work and applicable premiums (see Appendix A) will be corrected by payment in the employee's next, regular, biweekly check.

SECTION B

CLASSIFICATION DESCRIPTIONS

- 10-4 The University shall provide the Union and the President with a job classification description for each job classification title referenced in Appendices A and B. In the event a new job classification is established or an existing classification is changed, the University shall provide a job classification description to the President and the Union not later than fifteen (15) calendar days prior to the effective date of such new or changed classification. Upon request of the President, the President and a reasonable number of non-employee officials of the Union shall be afforded an opportunity to meet and discuss the new or changed classification with representatives of the University.

ARTICLE 11

OVERTIME

SECTION A

OVERTIME PREMIUM

- 11-1 An overtime premium computed at one and one-half times the employee's hourly rate plus shift premium and/or lead person pay, if applicable, will be paid for time paid (1) in excess of eight (8) hours in a day or (2) in excess of forty (40) hours in a calendar week for which an overtime premium has not previously been earned.
- 11-2 Upon arrangements satisfactory to the University and the Union, a normal schedule of work can consist of ten (10) hours per day and forty (40) hours per week. In such a case, regardless of whatever else may be mutually agreed to, any employee or employees involved shall not be eligible for the daily overtime premium provided in paragraphs 11-1 and 11-3 until such time as the hour calculation exceeds ten (10) hours in a day.
- 11-3 In calculating the eight (8) and forty (40) hours to determine when the overtime premium is payable, (1) time when actual work is performed and (2) time off work for which pay is received pursuant to Article 23 (Disability

Income), Article 25 (Christmas/New Year Season Days), Article 26 (Vacation Time Pay), Article 27 (Funeral Leave Pay), and Article 24 (Holiday Pay), except paid time for a holiday which falls on an employee's scheduled day off, and (3) time off work pursuant to Article 28 (Jury and Witness Service) will be counted. The rates of pay for hours worked on Season Days are specifically addressed in Article 25, Section E, paragraph 25-5.

SECTION B

PYRAMIDING

- 11-4 Overtime premium shall not be pyramided, compounded, or paid twice for the same time paid.

SECTION C

SCHEDULING

- 11-5 In general, overtime work shall be voluntary; provided, however, when at least forty-eight (48) hours advance notice of an overtime assignment is given or when circumstances do not permit advance notice, an employee will work unless sufficient other employees capable of doing the work are available, in which case an employee who does not wish to work will be excused from overtime. When practicable, the employee with the least classification seniority who is available within the unit of distribution will work overtime required and assigned.
- 11-6 Scheduled overtime assignments not contiguous with an employee's normal schedule of work will be a minimum of two-hours in work activity duration. Individual work assignments can be grouped together to achieve the two-hour minimum. Individuals may also be held over or assigned emerging issues in lieu of bringing in On Call designated staff. It is understood that this is pay for actual time worked, and is not a guarantee of a minimum amount of pay as described in Article 14, On Call Pay, or Article 15, Call Back Pay.
- 11-7 Overtime work will not be assigned to "temporary help" or "contract vendor labor" until it has been offered to all employees in the same overtime unit of distribution who are available to perform the work.

After a scheduled overtime assignment has been offered to all employees who are available to perform the work in a classification in the overtime unit of distribution, and before mandating overtime to fill the assignment or assigning the overtime work to temporary help or contract vendor labor, the supervisor will contact the steward for the classification to provide notice and an opportunity for the steward to suggest alternatives. The supervisor will consider the steward's ideas before taking final action.

If overtime is assigned to a temporary employee or contract vendor labor in violation of this Article, the employee or employees with the lowest number of overtime hours in the corresponding classification in the overtime unit of distribution will receive a payment equal to one and one-half times the employee's hourly rate plus shift premium and/or lead person pay, if applicable, times the number of hours worked by the temporary or contract vendor labor employee or employees.

- 11-8 After four (4) hours of overtime work at the end of an employee's regular 8 or 10 hour workday there shall be a paid meal period not to exceed twenty (20) minutes, provided that work resumes immediately following the meal period.
- 11-9 Whenever an apprentice works overtime, at least one (1) journeyman in a similar Trade as the apprentice will also be assigned to work overtime.

SECTION D

DISTRIBUTION

- 11-10 Overtime within a unit of distribution (see Appendix D) shall be distributed as equitably as practicable among employees having the ability to do the work competently and efficiently and who are assigned to the same classifications within the unit of distribution.
- 11-11 It shall not be considered practicable (1) if an employee has performed the available work unsatisfactorily or inefficiently on a previous occasion or (2) to call in an employee to work rather than extend the shift of an employee already at work. In addition, an employee who has provided the University with a written statement that the employee does not wish to work overtime need not be

assigned or called in to work overtime. Such a statement will be effective until withdrawn in writing by the employee.

11-12 As an exception to the overtime scheduling provisions of paragraphs 11-5 through 11-11, and in recognition of promoting work assignment continuity, employees who have worked a minimum of four (4) hours on a particular work assignment, or if less than four (4) hours are working on an emergency repair assignment, may be assigned overtime on that work assignment rather than offering it to an employee with a lower number of overtime hours recorded, as referenced in paragraph 11-14 below. This work assignment continuity overtime distribution exception will be in accordance with the following provisions:

- The overtime spread, within a classification and unit of distribution, is the difference between the employee with the highest and lowest number of overtime hours recorded who is available and able to work.
- If the overtime spread is twenty (20) hours or less the University may assign up to two (2) employees per classification, already on that assignment, to work the continuity overtime.
- The overtime spread will need to be met for each such continuity overtime assignment.
- The University will notify the steward as soon as practicable when overtime is worked under this paragraph.
- Units of distribution where the average overtime per employee by classification is less than forty (40) hours recorded in the previous contract year will not be eligible for continuity overtime assignments. Those units of distribution will be required to assign all scheduled overtime in accordance with paragraphs 11-5 through 11-11 (e.g.- the total number of employees in a given classification in a unit of distribution is 4; 4 employees x 40 hours = 160 hours; if the total recorded overtime hours for those 4 employees at the end of the contract year is less than 160 hours this classification of employees would not be eligible for continuity overtime as provided by this paragraph). The average overtime hours per employee by classification in the previous contract year will be posted by the University on the overtime record.

11-13 Any overtime assignment exceptions outside the provisions of paragraphs 11-5 through 11-12 must be approved by the appropriate trade steward(s), and this exception request process will not be abused by the University.

11-14 A record of the overtime worked for the prior calendar week will be maintained for each overtime unit of distribution and provided to the steward by no later than 3:00 p.m. on the second business day of the week for use in distributing voluntary overtime. It is expected that maintenance of the overtime record will be a collaborative effort between the University and the Union. If there is a dispute between the University and the Union regarding the charging of hours of overtime worked, the University will defer to the Union. A Special Conference will be scheduled by the University to discuss concerns regarding corrections to the overtime record requested by the Union.

In recognition of the effect on normal business operations caused by the Christmas and New Year's Day holidays and season days, the last record of overtime worked in December will be provided to the steward on the second business day of the third week in December, and the next record of overtime worked will be provided to the steward no later than the third Tuesday in January. The last December record will be used to offer voluntary overtime until the publication of the first overtime record in January.

In general, the employee with the lowest number of overtime hours recorded will be offered overtime first. Employees who work overtime or who do not work overtime when it has been offered or assigned to them, whether excused or not, will be charged the amount of overtime hours worked. Any inequitable distribution will be rectified by offering the employee an overtime assignment of at least like duration of the overtime missed, and at a time agreeable to the employee. If there is not mutual agreement of the scheduling of this overtime assignment, the original inequitable distribution will be rectified in the future scheduling of overtime. If there is a dispute regarding the overtime distribution the President, or designated representative, may request a second step grievance hearing which will be scheduled and heard within four (4) workdays of the request, or as otherwise mutually agreed. The University's written answer to the grievance will be issued as soon as practicable, and no later than five (5) workdays. If the grievance is granted the overtime offer

will be for an assignment occurring within fourteen (14) calendar days after the second step grievance hearing. This overtime offer will occur even if there is no overtime otherwise scheduled within that fourteen (14) calendar day period. Overtime assigned or offered and not worked, whether excused or not, shall be color-coded in red when posted. Overtime worked shall be posted in a contrasting color. Overtime worked pursuant to Article 15, Call Back Pay, shall not be posted on the overtime log and considered for the equitable distribution of overtime, but will be recorded separately and posted.

- 11-15 The steward will be granted a necessary and reasonable amount of time off from his/her assigned schedule of work without loss of time or pay to maintain and post the overtime record. In the event that the overtime record is not accurate or up to date, the responsible supervisor may immediately confer with the steward who will correct the record as soon as reasonably practicable.
- 11-16 New employees, employees returning from a leave of absence, excluding a work related injury leave of absence, employees transferred into another classification in the same unit of distribution, employees withdrawing the written statement expressing the wish not to work overtime, and employees transferred into another unit of distribution or returning from layoff will be charged with the highest number of overtime hours then worked by an employee in the same classification in the unit of distribution.
- 11-17 An employee who is temporarily assigned to a different classification in their regular unit of distribution, or to another unit of distribution in their regular or different classification, will remain on their regular overtime log and will be included in overtime distribution on their regular overtime log. It is recognized that employees may also be assigned overtime in their temporary assignment after the overtime has been offered to the regular employees in the applicable classification. If an employee works or is offered any overtime in a temporary assignment, those overtime hours worked or offered will be recorded on the employees' regular overtime log.
- 11-18 Overtime units of distribution will be as established by the University, and the University shall provide the Union with a list which will identify each overtime unit of distribution. In the event that a new overtime unit of distribution is

established, the University will meet with the Union to discuss the new overtime unit of distribution at least thirty (30) calendar days prior to the effective date of the overtime unit of distribution.

- 11-19 An employee who is continuously absent from work or who is otherwise unable to work overtime for 14 calendar days or more, for whatever the reason, except as provided in paragraph 11-16, shall be charged for overtime in the same amount as the employee who was the next lowest on the overtime record at the time the employee's absence or inability to work overtime began, except the employee shall not be charged for any overtime charged to that employee during the first 14 calendar days of the employee's absence.

SECTION E

COMPENSATORY OVERTIME

- 11-20 When an employee has worked overtime, such employee may request, and with the approval of their supervisor, be granted time off from work in an amount equal to the overtime hours worked times one and one-half provided the time off from work is scheduled and taken within the same pay period in which the overtime was worked. In that event, the overtime worked will be recorded and paid and the equivalent time off from work will be considered an excused absence without pay.
- 11-21 Time off from work under this Section shall not affect the accrual of vacation as provided in Article 26 (Vacations), nor shall a request for such time off be arbitrarily denied.

(See Memorandum of Understanding-2)

SECTION F

DEFINITIONS

- 11-22 For the purposes of this Article and the computation of overtime premium, the following definitions shall apply:
1. "Day" means the twenty-four (24) consecutive hour period beginning with an employee's starting time on each workday.

2. "Calendar Week" means seven (7) consecutive calendar days beginning at midnight between Saturday and Sunday.

ARTICLE 12

OVERLAP

- 12-1 The parties recognize that there is a certain amount of overlap in work performed by employees in this bargaining unit and work performed by other University employees. It is understood that while certain identified duties may be characteristic of the knowledge and expertise of a classification in this bargaining unit, it is the ability to perform the assignment of the complete variety which distinguishes the members of this bargaining unit from others not in the bargaining unit. It is not the intent of the University that this overlap adversely affect any employee in this unit.
- 12-2 The term "overlap" is defined as a situation or circumstance when one or more of the job functions and/or characteristic duties of a classification in this bargaining unit are the same as one or more job functions and/or characteristic duties of another University classification, which are regularly performed by University employees outside of this bargaining unit.
- 12-3 No grievance concerning overlap will be processed or accepted unless the grievance specifically identifies an employee(s) who has been laid off or removed. Otherwise, if any overlap issues arise the Union will request a Special Conference which will be convened to discuss the matter.
- 12-4 In addition the University shall provide the Union, no later than March 1st of each year, changes in the number of University employees not in this bargaining unit who are in classifications where such overlap regularly exists.

ARTICLE 13

RATES OF PAY ON TRANSFER

- 13-1 When an employee is promoted, the employee's hourly rate shall be the top step for the classification.

- 13-2 When an employee is transferred from one classification to another classification in the same pay grade, the employee's hourly rate shall remain the same. If the employee is not at the top of rate progression, the employee will continue to progress as if the employee had not been transferred.
- 13-3 When an employee is transferred to a classification in a lower pay grade, the employee's hourly rate shall be the top step of the lower pay grade.
- 13-4 When an employee is transferred on a temporary basis to a classification in a higher pay grade for four (4) or more hours in a workday, the employee's hourly rate during the period of the employee's transfer shall be the top step for that classification.
- 13-5 When an employee is transferred on a temporary basis to a classification in a lower pay grade, the employee's hourly rate shall be maintained.

ARTICLE 14

ON CALL PAY

- 14-1 Each employee specifically assigned as in "on call" status shall be paid twenty percent (20%) of the hourly rate for their classification for hours spent in that status. Employees, when assigned on call status, are required to return to work immediately when contacted, or a voice message, page or other message is left within no longer than approximately one hour. Upon return to work, such employees are not eligible for call back pay as provided in Article 15, nor for on call pay while at work, but shall be paid their regular hourly rate plus shift premium if applicable, or the overtime premium as set forth in Section A of Article 11, if applicable, for actual work performed. A minimum of two hours pay at the employee's applicable overtime rate will be paid for all return to campus on-call responses. Time spent in on call status shall not be counted in calculating time worked for determining when an overtime premium shall be paid.
- 14-2 When on call assignments are determined necessary by the University, such assignments will, in general, be staffed on a voluntary basis among qualified employees by classification within departmental units as defined in

APPENDIX C. If, however, the University determines the number of volunteers is not operationally acceptable, the voluntary schedule may be revised by the University and the remaining on call assignments will be mandatory for all qualified employees, including already scheduled and approved volunteers, within the classification and departmental unit. If mandatory scheduling is necessary, the remaining unfilled assignments on the schedule will be filled chronologically by assigning the qualified employee with the lowest classification seniority first, and so on, until all on call assignments are filled. Subsequent mandatory on call assignments will be rotated through the classification seniority list until all qualified employees have served an on call assignment. The University will provide forty-eight (48) hours advance notice of all on call assignments, unless operational circumstances do not permit such advance notice. The respective steward is responsible for scheduling all on call assignments. The University may exclude some employees from on call status based on various operational considerations such as but not limited to familiarity with on call area, response time from home back to the University, discipline and work performance record. Regular ongoing on call assignments will generally be one week in duration, with specific beginning and end times to be determined by the University within each respective on call area. However, other duration assignments may be scheduled by the University considering operational requirements in specific on call areas for regular ongoing, or sporadic on call assignments. The time period for on call assignment schedules will be determined by the University at whatever time frequency is most operationally efficient within each respective on call area. Coverage for on call assignments is the responsibility of each employee. However, with advance notice to and approval by supervision, trading of on call assignment times is permitted among employees as long as required coverage is provided. Time spent in on call status and time actually worked when reporting to work pursuant to on call assignments will not be entered on any overtime logs. In addition, when employees are in on call status, the University is prohibited from scheduling them to work. No on call employees will be charged for any overtime worked by other employees during periods of their on call assignment.

14-3 The provisions of this Article shall not be construed as relieving any employee not designated as in an on call status of their obligation when required by the University to

return to work pursuant to the provisions of Article 15, Call Back Pay. Furthermore, it is mutually agreed that, except for extraordinary circumstances beyond the control of the employee, the failure of any employee to return to work when so required is serious misconduct subject to disciplinary action.

ARTICLE 15

CALL BACK PAY

- 15-1 Whenever an employee is called back to work pursuant to this Article the employee shall receive the overtime premium as set forth in Section A of Article 11 for the time worked or a minimum of five (5) hours pay at the employee's hourly rate and shift premium, if applicable, whichever amount is greater. This shall not apply, however, to employees who are called in to begin work prior to their scheduled start time and work continuously past their scheduled start time, provided the University permits the employee to work the employee's scheduled hours of work for that day. To the extent that an employee is paid the overtime premium pursuant to this Article, the employee shall not be paid an overtime premium under Section A of Article 11 for the same time worked.
- 15-2 All overtime worked or paid as a result of the application of this Article shall be recorded separate from the overtime record and posted as set forth in Section D, reference paragraph 11-13, of Article 11.

ARTICLE 16

SENIORITY DEFINITIONS AND LOSS OF SENIORITY

SECTION A

DEFINITIONS

16-1 For the purpose of this Agreement the following definitions shall apply:

1. University seniority means length of continuous service with the University beginning with the latest date of regular employment with the University and shall include periods of service outside the bargaining unit.
2. Classification seniority means length of continuous service in a classification beginning with the latest date of hiring or transfer into the classification, provided, however, when an employee remains in the employee's classification but is transferred to another seniority group as a result of the application of Article 21, as distinguished from a reallocation of the work force, the employee's classification seniority for purposes of further application of the Layoff Procedure shall date from the employee's transfer into the new seniority group.
3. "Length of continuous service" means uninterrupted employment but includes lay-offs and other periods of absence authorized by and consistent with this Agreement except as limited by Section A and B of this Article.
4. "Seniority group" means that grouping of employees assigned to work at the following locations:
 - a. Plant Operations, Ann Arbor
 - b. University Hospital, Ann Arbor
 - c. University Housing, Ann Arbor
 - d. Flint Campus
 - e. Dearborn Campus
 - f. Each other location

16-2 Each of these locations shall be a separate seniority group.

(See Memorandum of Understanding-10)

16-3 An employee who took a position with the University that was outside the bargaining unit, and subsequently returned to the bargaining unit will have classification seniority as follows:

- a. Regular appointment outside the bargaining unit: A former bargaining unit employee who returns to the bargaining unit within one calendar year from the start of the regular appointment will retain the classification seniority the former bargaining unit employee had when he/she left the bargaining unit. Within this one year period, the former bargaining unit employee may be returned to the bargaining unit at the sole discretion of the University in a regular job opening that has not been posted under paragraph 20-2 of the Agreement.

A former bargaining unit employee that has been out of the bargaining unit for more than one calendar year can bid on a regular job opening posted externally under paragraph 20-3 of the Agreement. A former bargaining unit employee that returns to the bargaining unit after more than one calendar year from the start of the regular appointment will have no classification seniority. Classification seniority will begin to accrue once the former bargaining unit employee returns to the bargaining unit.

- b. Temporary appointment outside the bargaining unit: A former bargaining unit employee who returns to the bargaining unit within one calendar year from the start of the temporary appointment, or a longer period of time agreed to by the Union, will retain the classification seniority he/she had when he/she left the bargaining unit

A former bargaining unit employee who returns to the bargaining unit after more than one calendar year from the start of the temporary appointment, or a longer period of time agreed to by the Union, will have no classification seniority. Classification seniority will begin to accrue once the former bargaining unit employee returns to the bargaining unit.

A former bargaining unit employee will return to the bargaining unit in the position he/she vacated to assume the temporary appointment.

- c. An employee that takes a regular or temporary appointment outside the bargaining unit is not represented by the Union, and, as such, does not have access to the grievance procedure outlined in Article 42 of the Agreement.
- d. The employee is responsible for contacting the University Payroll Office to stop the deduction of Union dues or service charge during the period of a temporary appointment.
- e. The University will notify the Union of the start and end dates of all temporary employee appointments outside the bargaining unit.
- f. Within thirty (30) calendar days of receiving from the University the end date of an employee's appointment outside the bargaining unit, the Union will determine the employee's classification seniority, and communicate the date to Staff HR Services.
- g. The rules for a temporary appointment will not apply for employees who are assigned to meet medical restrictions or for other special circumstances approved by the Union.
- h. A Special Conference will be held if there is a dispute whether an employee is working in a position outside the bargaining unit. If there is no resolution to the dispute, the issue is subject to the grievance and arbitration process.

16-4

An employee whose employment is terminated subsequent to and as a result of layoff, in accordance with Section B of this Article, and who is subsequently rehired by the University within thirty-six (36) months from the date of termination, upon the employee's request, may have his university seniority restored (excluding the period of time between termination and rehire) upon completion of two (2) consecutive years of employment, provided the employee had a minimum of one (1) year of continuous service prior to layoff. In the event that the employee is rehired in the same classification and seniority group in which she/he was employed immediately preceding termination,

classification seniority shall also be restored (excluding the period of time between termination and rehire).

- 16-5 If an employee with one year or more of University seniority quits or resigns and is subsequently rehired by the University within twelve (12) months following the termination of her/his previous employment, the employee may, upon her/his request, have her/his University seniority restored (excluding time on leave of absence), upon completion of three (3) consecutive years of employment. In the event the employee is rehired in the same classification and seniority group in which she/he was employed immediately preceding termination, classification seniority shall also be restored (excluding time on leave of absence).
- 16-6 The University shall take into consideration the seniority of an employee in selecting a supervisor, but no employee must accept a supervisory position with the University.

SECTION B

LOSS OF SENIORITY

- 16-7 An employee shall lose his/her status as an employee and his/her seniority if:
1. The employee resigns or quits;
 2. The employee is discharged or terminated (unless reversed through the grievance or arbitration procedures);
 3. The employee retires;
 4. The employee does not return to work from layoff within five (5) calendar days after being notified to return by certified or registered mail addressed to the employee at the employee's last address filed with the University Human Resource Office. An Employee who changes address must notify the University of the change. The University will give the employee a receipt for this notice;
 5. The employee has been on layoff for a period of time equal to the employee's classification seniority at the time of the employee's layoff or two (2) years, whichever is lesser; or

6. The employee is absent from work, including the failure to return to work at the expiration of a leave of absence, vacation, or disciplinary lay-off, for three (3) consecutive working days without notifying the University, except when the failure to notify and work is due to circumstances beyond the control of the employee.

16-8 The grievance involving compliance with this Section shall begin at Step Two of the Grievance Procedure and may be processed through the Grievance and Arbitration Procedures only by an employee who has lost his/her status as an employee and his/her seniority, provided it is submitted in writing at Step Two of the Grievance Procedure within seventy-two (72) hours after facts have occurred giving rise to the employee's grievance.

ARTICLE 17

SENIORITY LIST

17-1 The University shall prepare and maintain seniority lists by seniority group which shall show the names, classification title, and the university and classification seniority dates of all non-probationary employees. The Union, President and stewards shall each be given one (1) copy of the list and notice of changes within five (5) working days of knowledge of the changes by the Human Resource Office. The lists and any changes thereafter shall be deemed correct as to an employee's seniority dates unless the employee or the Union notifies the University to the contrary in writing. The University may rely on the date it deems correct until such time as the question is resolved. The seniority lists and changes thereafter shall be posted by seniority group location.

ARTICLE 18

EMPLOYEE INFORMATION

SECTION A

EMPLOYEE INFORMATION AND SENIORITY LISTS

- 18-1 The University shall prepare and maintain a list which shall show the names, alphabetically, and the classification title, department, pay grade, seniority date, address and telephone number of all employees. The Union shall be given the current list monthly.
- 18-2 This list shall be deemed correct as to an employee's seniority date unless the employee or the President notifies the University to the contrary.

SECTION B

HIRE, TERMINATION AND LEAVE OF ABSENCE LISTS

- 18-3 Monthly, the University shall give to the Union one copy of each of the following:
1. A list of employees hired.
 2. A list of employees terminated, for whatever the reason.
 3. A list of employees on a leave of absence of any type.

SECTION C

UNION DUES OR SERVICE CHARGE

- 18-4 Monthly, the University shall give to the Union one copy of each of the following:
1. A list of employees that have authorized the monthly deduction and the amount of Union dues or the service charge deducted ("Remittance Report" distributed by the Payroll Office).
 2. A list of employees that have not authorized the monthly deduction of Union dues or the service charge

("Union Dues Audit Report" distributed by the Payroll Office).

SECTION D

TEMPORARY EMPLOYEE LIST

- 18-5 Monthly, the University shall give to the Union a list of temporary employees performing the same work as employees in this bargaining unit. The list shall also include the job classification, and identification of the employing department and number of hours worked in each bi-weekly period for each such person. The list shall include current available information for the six (6) most recent consecutive pay periods.

ARTICLE 19

PROBATIONARY EMPLOYEES

- 19-1 An employee is a "probationary employee" for the employee's first six months of employment (e.g. date of hire 1/5/xx through and including 7/4/xx- first day off probation would be 7/5/xx). An individual who was hired for "temporary help" and who becomes an employee in the same department in which the employee was performing substantially the same work as temporary help for any continuous period immediately preceding the date the employee became an employee will have that continuous period counted towards completion of the employee's probationary period.
- 19-2 No matter concerning the discipline, lay-off, or termination of a probationary employee shall be subject to the grievance and arbitration procedures. At the request of the Union however, the University, through a designated representative, shall meet and discuss the termination of the probationary employee with an official of the Union and the President, provided the request is made within five (5) calendar days following the termination.
- 19-3 A probationary employee shall have no seniority, except university seniority, until the employee has completed his/her probationary period. Upon the completion of the employee's probationary period, the employee shall acquire classification seniority and be entered on the employee's seniority list with the classification seniority

date as provided in paragraph 16-1(2). An employee who has a continuous period of temporary employment counted towards completion of the employee's probationary period will acquire University and classification seniority from the date the employee began his/her continuous period of temporary employment.

ARTICLE 20

INTERNAL AND EXTERNAL JOB POSTING PROCEDURES

- 20-1 A regular job opening occurs when a new position is established and will be filled, or when a position held by a regular employee is vacated and that employee will be replaced by an internal posting or external job posting.

SECTION A

INTERNAL POSTING

- 20-2 When a regular job opening exists, and prior to an external posting, written notification of the job opening will be posted for fourteen (14) calendar days at all bulletin board locations set forth in Article 8, paragraph 8-1. The internal posting will identify if the job opening will be filled by the classification seniority of qualified candidates or by the best qualified candidate.

1. Employees may request a change from one position to another in the same classification. The employee's request will be written on a form, provided by the University, submitted to the department head (or equivalent level of supervision), identifying the specific job opening and its location.
2. A Steamfitter/Certified Welder may request a change to the Steamfitter classification through the internal posting process. Steamfitters will be considered before Steamfitter/Certified Welders in filling a Steamfitter opening. When a Steamfitter/Certified Welder fills a Steamfitter opening, the employee will be classified as a Steamfitter, and receive pay commensurate with the Steamfitter classification.
 - a. Regular job openings filled by the classification seniority of qualified candidates:

The University will determine whether a candidate is qualified. When filling a regular job opening by the classification seniority of qualified candidates, whether a candidate is qualified is determined as follows:

- i. The employee has the ability to competently perform the work;
- ii. the employee has no written or lost time discipline that occurred in the preceding two (2) year period; and
- iii. the selection of the employee will not adversely affect the operation of the University.

The regular job opening will be filled by the classification seniority of qualified candidates, from highest to lowest.

When one qualified candidate applies, or when more than one employee applies and it is determined that there is only one qualified candidate, the qualified candidate will be offered the position.

The regular job opening will be first offered to qualified candidates in the same seniority group as the regular job opening, followed by qualified applicants from all other seniority groups.

The selected candidate will be given a reasonable period, not to exceed sixty (60) calendar days, to demonstrate in actual work performance whether he or she has the ability to competently perform the work. If the employee does not have the ability to competently perform the work, the University will provide the employee and Union a written explanation of the deficiencies, and the employee will be returned to their previous overtime unit of distribution and classification. If the University provides the written explanation, the return to the employee's previous overtime unit of distribution and classification will not be subject to the grievance and arbitration procedure. Upon the request of the President, the President and employee returned to his or her previous overtime

unit of distribution shall be afforded an opportunity to meet and discuss the return.

- b. Regular job openings filled by the best qualified candidate.

The University will determine whether a candidate is qualified, and the relative qualifications of qualified candidates. Paragraph 20-12 outlines considerations used to determine if a candidate is qualified.

The regular job opening will be offered to qualified candidates in descending order from the candidate determined to be the best qualified candidate.

If two (2) or more employees are equally qualified, the employee with the most classification seniority shall be given preference, provided the selection of the employee does not adversely affect operations of the University.

When one qualified candidate applies, or when more than one employee applies and it is determined that there is only one qualified candidate, the qualified candidate will be offered the position.

The selected candidate will be given a reasonable period, not to exceed sixty (60) calendar days, to demonstrate in actual work performance whether he or she has the ability to competently perform the work. If the employee does not have the ability to competently perform the work, the University will provide the employee and Union a written explanation of the deficiencies, and the employee will be returned to their previous overtime unit of distribution and classification.

SECTION B

EXTERNAL POSTINGS

- 20-3 If a regular job opening is not filled by an internal posting or in another manner consistent with the terms of this Agreement, the regular job opening will be posted externally online, and shall also be posted at all bulletin board locations set forth in Article 8, paragraph 8-1 of this Agreement through the end date listed on the external posting. If a regular job opening is not filled within ninety

(90) calendar days after it was posted externally, the internal posting will be required again as set forth in paragraph 20-2 above, before the external posting can be filled.

- 20-4 Non-probationary employees, excluding apprentices, may apply for an external posting to a regular job opening by submitting an online bid.
- 20-5 Employees assigned to job classifications in pay grades T1-T6 may apply for apprentice openings for job classifications assigned to pay grades T6-T9 and will be afforded an opportunity to be interviewed, consistent with the University's selection procedure for apprentices, including but not limited to successful completion of applicable apprenticeship aptitude testing.
- 20-6 Employees who apply for a regular job opening, excluding job openings for apprentices, will be afforded an opportunity to be interviewed. However, the University need not interview more than five (5) employees for any individual regular job opening. Only employees who possess the required qualifications as described in the external job posting, and indicate their qualifications when they apply online will be interviewed.
- 20-7 When a regular job opening is filled, the best qualified person shall be selected. In the event that an employee who has bid on a regular job opening possesses qualifications equal to those of other applicants, such employee shall be given preference over the other applicants, provided the selection of the employee does not adversely affect operations of the University.
- 20-8 If two (2) or more employees are equally qualified, the employee with the most classification seniority shall be given preference, provided the selection of the employee does not adversely affect operations of the University.
- 20-9 An employee selected to fill an external job posting will be given a reasonable period, not to exceed sixty (60) calendar days, to demonstrate in actual work performance whether he or she has the ability to competently perform the work. If the employee does not have the ability to competently perform the work, the University will provide the employee and Union a written explanation of the deficiencies, and the employee will be returned to their previous overtime unit of distribution and classification.

SECTION C

GENERAL PROVISIONS

- 20-10 The internal and external job postings shall consist of, but not be limited to, the job classification title, pay grade, department, normal schedule of work, and required qualifications for the position.
- 20-11 When an employee classified as a Painter Incumbent is the selected candidate for a regular job opening posted with a job classification title of "Painter" the employee will retain the Painter Incumbent classification and rate of pay.
- 20-12 For internal postings that will be filled by the best qualified candidate or external job postings, qualifications shall be determined solely on the ability of each person to perform the work required competently. Ability to perform the work required may include, by way of example, but not limitation, such considerations as training, communication skills, system or craft specialty knowledge, attendance, willingness to work overtime or written, or lost time disciplinary action that occurred within the preceding two (2) year period.
- 20-13 A new hire or an employee that has been selected for an internal or external job posting need not be considered by the University for a subsequent internal or external job posting during the 12 month period following the internal or external job posting selection.
- 20-14 In the event that an employee is not selected for a regular job opening, and at the request of the employee or the President, the University will provide the determinant reasons why the employee was not selected.
- 20-15 Under the provisions of this Article, within thirty (30) calendar days of the selection to a regular job opening, an employee may, upon request, return to the classification and overtime unit of distribution from which the employee left, except when an employee is moved on a temporary basis or was selected for a classification in a lower pay grade. An employee affected by such a return shall be placed in a regular job opening, if any, or placed or laid off in accordance with the provisions of Article 21, Section A.
- 20-16 A grievance concerning compliance with this Article shall begin at Step Two of the Grievance Procedure provided

the grievance is submitted in writing within fifteen (15) calendar days following the day on which the employee had knowledge of the facts giving rise to the grievance; except when classification seniority is the determining selection factor, the selection cannot be grieved by an employee having less classification seniority than the employee selected.

ARTICLE 21

LAYOFF AND RECALL PROCEDURES

SECTION A

LAYOFF PROCEDURE

- 21-1 Within a seniority group, work regularly and customarily performed by an employee shall not be performed by “temporary help” or contract vendor labor to the extent that it results in the lay off of an employee. Neither shall “temporary help” or contract vendor labor be hired when a laid off employee is eligible for recall under paragraph 21-2. When an employee is to be laid off, the following procedures shall apply:
1. Layoff shall be by and from each classification within each seniority group. Except that during an employee’s first two years of classification seniority, layoff and recall will be by departmental unit for employees hired after January 1, 2016.
 2. Contract vendor labor then temporary help, and then probationary employees in an affected classification within a seniority group shall be laid off first.
 3. Then an employee with the least apprentice classification seniority for the affected classification shall be laid off. This subparagraph shall apply to the next lowest senior apprentice, providing there is one, after no more than two (2) journeyman employees in an affected classification have been laid off as a result of application of subparagraph 4 below. Nothing in this step of the procedure is intended to preclude the University from laying off all apprentices in the affected classification before applying subparagraph 4 below, nor shall it result in having a ratio of less than two (2)

journey person to one (1) apprentice in the affected classification.

4. Then the employee with the least classification seniority in an affected classification within the employee's seniority group shall be laid off, provided that the employee's remaining in the classification have the ability to perform competently the work available.
5. For the purposes of this Article, in the event that there are two or more employees with the same classification seniority date, the employee with the most bargaining unit seniority will have the higher seniority. If the bargaining unit seniority is also equal, then the employee with the most University seniority will have the higher seniority. If the University seniority is also equal, then the last four (4) digits of the employee's social security number will be considered and the employee with the higher last four digits of their social security number will have the higher seniority.
6. The University may transfer an employee who is laid off or is to be laid off to another classification in the employee's seniority group or to any classification in another seniority group, but the employee shall have the option of electing the layoff rather than the transfer.
7. In the event an employee is laid off because of a temporary discontinuance of operations, or any portion thereof, caused by conditions beyond the control of, and not immediately correctable by the University, temporary adjustments in the work force can be made without prior notice and without application of the regular Layoff and Recall Procedures. A layoff resulting from such temporary adjustments to the workforce shall not exceed fifteen (15) calendar days.
8. In the event an employee is laid off because of a temporary workload, staffing, or other condition, the employee shall be given at least seven (7) calendar days notice of a temporary layoff. A temporary layoff shall not exceed sixty (60) calendar days and shall be in accordance with the layoff and recall procedures set forth in paragraphs 21-1 (1-6), 21-2 and 21-3. University contributions for Group Life, Health, Dental and Long Term Disability Insurances will continue for the duration of the temporary layoff, up to sixty (60)

days, and the employee must make their own benefits contributions for them to be continued during their temporary layoff. At the employee's request, they can receive a one time pay in lieu of accrued vacation for all or part of their vacation accrual, to be paid at the first scheduled pay day after the effective date of their layoff. In the event a temporary layoff becomes a regular layoff the required minimum thirty (30) calendar day notice will be given in accordance with paragraph 21-1 (9).

9. In the event of a regular layoff, an employee who is to be laid off shall be given written notice of layoff as soon as practicable but not less than thirty (30) calendar days prior to layoff. Regular layoffs shall be in accordance with the layoff and recall procedures set forth in paragraphs 21-1 (1-6), 21-2 and 21-3. An employee subject to regular layoff shall be paid for any wages due, and pay in lieu of accrued vacation, at the first scheduled pay day after the effective date of their layoff.
10. Every effort will be made by the University and Union to mitigate or avoid a temporary or regular layoff, including voluntary layoffs and effort reductions, or other alternatives.
11. When the University has a need for more than forty (40) continuous hours of work to augment the workforce in a laid off employee's classification within any seniority group, or a need of any duration within the employee's departmental unit, the laid off employee will be considered for employment as "temporary help" provided the employee has the ability to competently perform the work available. Any employees on layoff who are hired as "temporary help" will not have their layoff and/or recall rights affected by being in the status of "temporary help".

SECTION B

RECALL PROCEDURE

- 21-2 The reverse application of the layoff procedure shall be used when a seniority employee is to be recalled to work from a temporary or regular layoff or there is to be a return to a classification or seniority group from which the employee was transferred, conditioned upon the

employee's ability to perform the work competently. An employee with seniority who has been laid off will be recalled to any posted opening within his classification regardless of department or seniority group, conditioned upon the employee's ability to perform the work, in accordance with the requirements set forth in Article 20, Section C, reference paragraph 20-12. In addition, an employee who has been recalled to such a posted opening in a different seniority group will serve a trial period, not to exceed ninety (90) calendar days, within which to demonstrate satisfactory attendance and performance. During this trial period, if the employee's performance or attendance are not satisfactory, the employee will be returned to layoff status in their original seniority group, and such action shall not be subject to the grievance and arbitration procedures set forth in Article 42 and Article 43.

SECTION C

SENIORITY PREFERENCE

- 21-3 For the purpose of this Article, the President, Vice President, stewards, and alternate stewards shall have seniority preference over all the employees in their classification in their area of representation, conditioned upon ability to perform competently the work available.

SECTION D

LIABILITY

- 21-4 A grievance involving compliance with this Article shall begin at Step Two of the Grievance Procedure, provided it is submitted in writing at Step Two of the Grievance Procedure within seven (7) calendar days after facts have occurred giving rise to the grievance.
- 21-5 Liability of the University for failure to apply correctly any provision of this Article, except for a layoff because of a temporary adjustment of the work force as provided for in Section A., shall commence not earlier than the date of submitting the written grievance alleging such violation at Step Two of the Grievance Procedure. The University shall send notices of layoff or recall to the Union, President, and the steward representing the employee involved at least five (5) working days prior to the effective date of the layoff or recall.

ARTICLE 23

SICK TIME

SECTION A

ELIGIBILITY

23-1 An employee shall be eligible to receive sick time in accordance with the provisions of this Article when the employee is unable to work because of personal illness or injury, family care time and scheduled medical and dental appointments provided the employee meets the requirements of Section F, except no sick time shall be payable for any disability which results or occurs as follows:

1. Intentionally self-inflicted injury for fraudulent purposes;
2. Participating in any criminal act;
3. Participating in a riot or civil commotion;
4. Working for an employer other than the University;
5. During a layoff, leave of absence, or disciplinary layoff;
6. Following a termination date that was determined prior to the occurrence of the disability; or
7. During a vacation, except when hospitalized or equivalent confinement at home, which is directed by the employee's physician or, in the case of a disabling mental illness, by a licensed physician with specialized training in psychiatry or licensed psychologist who possesses a doctoral degree. Evidence of such hospitalization or directed confinement may be required by the University for an employee to be eligible to receive sick time.

SECTION B

SHORT-TERM SICK

23-2 Short-term sick is available to employees for scheduled and unscheduled absences due to personal illness or injury, family care time, and scheduled medical and dental appointments.

- 23-3 Each August 1st, 72 hours of short-term sick will be added to a full-time employee's accrual balance. To be eligible for this yearly accrual, the employee must be on paid status on August 1st. If the employee is not on paid status, the accrual will be provided on a prorated basis when the employee returns to paid status. The accrual will be prorated consistent with the practice for new hires and transfers as described below.
- 23-4 New hires or University employees transferring into the Bargaining Unit will receive a prorated amount of short-term sick. This prorated amount is six (6) hours per month multiplied by the number of months remaining in the contract year. The month of hire or transfer is considered a full month for purposes of determining the prorated amount of short-term sick (For example, an employee hired or transferred into the bargaining unit on any date in October, will receive sixty (60) hours of short-term sick time, six (6) hours times ten months).
- 23-5 An absence normally covered by short-term sick will be charged against an employee's accrued vacation time after the employee's short-term sick accrual has been exhausted unless the employee requests the use of excused time without pay.
- 23-6 During the annual benefit open enrollment period, an employee may submit a written request on a form provided by the University to sell back short-term sick. A minimum accrual balance of forty (40) hours of short-term sick must be maintained in the employee's accrual balance after the sell back. The written request must contain the following information:
1. Employee's name
 2. Employee's UMID
 3. The number of hours to be maintained in the employee's accrual balance
 4. The employee's signature

Once submitted, a written request may not be rescinded.

- 23-7 If an employee has more than 160 hours of short-term sick in their accrual balance as of the beginning of the second pay period in January, all hours in excess of that 160 hours will be sold back to the employee.
- 23-8 All short term sick sell back payments will be made in the last paycheck in January.
- 23-9 Upon retirement, any unused short-term sick will be paid to the employee.

SCHEDULED MEDICAL AND DENTAL CARE APPOINTMENTS

- 23-10 An employee may be granted short-term sick for scheduled medical and dental care appointments, including post-operative examinations and care. To be considered for short-term sick, the employee must give his or her supervisor written notice at least five (5) calendar days prior to the appointment. The written notice shall include the time and day of the appointment, the name of the doctor, and the probable duration of the absence. A series of appointments may be included in the same notice. In the event that a doctor schedules a return appointment or post-operative examination or care that prevents giving the required notice, as much notice as possible based on the circumstances is required.

FAMILY CARE TIME

- 23-11 Employees may use short-term sick to care for family members who are incapacitated, ill or injured. The definition of "family member" is as follows:
- a. Spouse (same-sex or opposite-sex).
 - b. Other qualified adult.
 - c. Child, sibling, parent, or grandparent of the employee, employee's spouse or other qualified adult.
 - d. Other related individual whose care is the responsibility of the employee, employee's spouse, or other qualified adult.

SECTION C

EXTENDED SICK

23-12 An employee with two or more years of University service and a fifty percent or greater appointment is eligible for extended sick for the employee's own illness or injury as outlined in the following schedule. The two years of University service must be attained as of the last day worked. If an employee is absent for a reason recognized by this Article at the employee's two-year anniversary, the employee will not be eligible for extended sick until the employee returns to work.

<u>University Seniority</u>	<u>Maximum Hours of Extended Sick</u>

Over three through four years	384
Over four through five years	480
Over five through six years	576
Over six through seven years	672
Over seven through eight years	768
Over eight through nine years	864
Over nine years	960

23-13 Extended sick, short-term sick, vacation, and excused time without pay are used as follows for a continuous absence for the employee's own illness or injury beginning on the first, full workday of the continuous absence. If the first workday of a continuous absence includes a period of work, i.e., the employee left work early due to illness or injury, the period of absence on that day will be covered by short-term sick, vacation or excused time without pay.

¹ "Workday" does not include holidays, season days or the employee's regular days off (RDO).

² Extended sick will be used to cover an absence that qualifies for Workers' Compensation regardless of the duration of the absence.

³ Short-term sick, followed by vacation, followed by excused time without pay will be used as depicted in this column when the employee does not provide a doctor's note dated either the first or second full workday of the absence to the University within two workdays of his/her return to work. Upon an employee's request, excused time without pay will be used in place of vacation.

⁴ Short-term sick, followed by vacation, followed by excused time without pay will be used as depicted in this column when an employee provides a doctor's note dated either the first or second full workday of the absence to the University within two workdays of his/her return to work. Upon an employee's request, excused time without pay will be used in place of vacation.

⁵ Extended sick will be used as depicted in this column when the employee does not provide a doctor's note dated either the first or second full workday of the absence to the University within two workdays of his/her return to work.

⁶ Extended sick will be used as depicted in this column when an employee provides a doctor's note dated either the first or second full workday of the absence to the University within two workdays of his/her return to work.

23-14 For continuous absences less than or equal to 40 hours that do not qualify for Workers' Compensation, the University shall not require medical documentation.

To be eligible for sick time for continuous absences greater than 40 hours, the employee must provide the University with acceptable medical documentation signed by the employee's treating physician certifying that the employee was unable to work all days of the absence, and is released to return to work. The statement will include any work restrictions.

23-15 The number of extended sick hours payable to an eligible employee shall be based upon time lost from work, but in no case shall the number of hours payable exceed the maximum number of extended sick hours set forth above in this Section based upon the employee's University seniority at the time the employee's disability occurs, minus the number of hours paid in the immediately preceding twelve (12) consecutive month period.

- 23-16 The University will manage extended sick absences, and employees must cooperate and comply with all required policies and procedures, including providing suitable physician statements as required.
- 23-17 Employees must exhaust all extended and short term sick prior to receiving Workers' Compensation payments. See Article 30, paragraph 30-8 (B) regarding the use of vacation prior to an employee receiving Workers' Compensation payments.

SECTION D

PART-TIME EMPLOYEE

- 23-18 A part-time employee normally scheduled to work twenty (20) or more hours per calendar week shall be eligible for sick time if the employee meets the eligibility requirements of Sections A through C of this Article, but the number of hours of sick time payable as provided in Sections B and C shall be on a basis dependent on the employee's normal schedule of hours which shall be directly proportionate to the maximum hours of sick time for which a full-time employee is eligible. An employee normally scheduled to work less than twenty (20) hours per calendar week shall not be eligible for sick time.

SECTION E

DETERMINATION OF SICK TIME PAY

- 23-19 Except as otherwise limited by this Article, the amount of sick time payable to an eligible employee shall be determined by multiplying the number of hours, not to exceed eight (8) in a calendar day, or ten (10) hours if normally assigned to a ten (10) hour day, or forty (40) in a calendar week, of time lost from work because of the disability times the employee's hourly rate during the period of disability, plus shift premium, if applicable.

SECTION F

NOTICE AND PROOF OF DISABILITY

- 23-20 No sick time shall be payable to an employee unless the employee's department is notified of the nature of the disability and the probable duration thereof as soon as possible but in no event later than the beginning of the

employee's shift, except when the failure to notify is due to circumstances beyond the control of the employee.

23-21 At the University's request, an employee returning to work shall be required to certify on a Notice and Proof of Disability form provided by the University the following:

1. The nature of the disability which prevented the employee from working, including time, dates, and circumstances and whether or not under the care of a physician;
2. The amount of time lost from work in hours because of the disability;
3. The name of the person to whom advance notice was given together with the time or the reason notice was not given.

SECTION G

ABUSE

23-22 It is understood that the parties do not condone any abuse of this Article. Where there is cause to suspect an employee's absence is for reasons that are not legitimate, corrective action may be initiated including requiring a doctor's note, sick time counseling and/or disciplinary action.

SECTION H

PHYSICIANS STATEMENTS/GENERAL CONDITIONS

23-23 If the University, at its option, decides to have an employee who is claiming sick time examined by a physician or physicians of its choosing, that examination will be without cost to the employee.

23-24 Following written notice to an employee and the Union, and after discussion with the employee, and the President, statements from certain physicians will not be considered as evidence of disability under any provision of this Article.

23-25 In the case of an absence due to a disabling mental illness, evidence of disability will be accepted only from a licensed physician with specialized training in psychiatry or a licensed psychologist who possesses a doctoral degree.

- 23-26 Employees with chronic health conditions who experience short-term, recurring disability absences will be provided flexible work scheduling opportunities as operationally possible and approved by supervision to reduce their use of short-term sick. Overtime pay shall not be incurred on flexible scheduling on greater than eight hours worked in a twenty-four hour period. See paragraph 9-4 for other flexible work scheduling opportunities.
- 23-27 Arbitrary failure or refusal to follow accepted medical practice in treating a disability shall be reason for discontinuing or withholding short-term or extended sick time.

SECTION I

ATTENDANCE INCENTIVE

23-28 An employee who uses twelve (12) hours or less of sick time in the six (6) month periods of March 1 – August 31, or September 1 – February 28 or 29, may sell back up to twenty (20) hours of future vacation time accrual for each six (6) month period, provided they have a minimum of forty (40) hours of vacation in their accrual as of August 31 or February 28 or 29. ARTICLE 26

VACATIONS

SECTION A

ACCRUAL

- 26-1 Except as provided in 26-3 and 26-4 of this Section, full-time employees accrue paid vacation time as follows:

<u>University Seniority</u>	<u>Rate of Accrual Per Calendar Month</u>
First 5 years	8 hours
From 5 through 8 years	12 hours
Over 8 years	16 hours

26-2 An increase in the rate of accrual shall be effective with the first calendar month following completion of the required years of University seniority.

26-3 During the calendar month in which a full-time employee starts or ends employment or starts or returns from any leave of absence, the employee shall accrue paid vacation time on a percentage basis of the rate of accrual in 26-1 depending upon the day of the calendar month on which the event occurs as follows:

<u>Day of Calendar Month</u>	<u>Start of Employment or Return from Leave of Absence</u>	<u>End of Employment or Start of Leave of Absence</u>
1 through 10	100% accrual	No accrual
11 through 20	50% accrual	50% accrual
21 through end of month	No accrual	100% accrual

26-4 Except as provided in 26-3 above, an employee shall not accrue any paid vacation time during any leave of absence or during any calendar month in which the employee is absent without pay for fifteen (15) or more work days. During any calendar month in which the employee is absent without pay for less than fifteen (15), but more than seven (7) work days, the employee shall accrue fifty percent (50%) of his/her 26-1 accrual.

Vacation accrual for months in which extended sick time pay is used is calculated according to the following table:

<u>Cumulative number of hours of extended sick time used in a month*</u>	<u>Vacation accrual rate</u>
80 hours or less	100% accrual
Greater than 80 hours	50% accrual

* Hours provided in the table are based on a full-time (40 hours per week) work schedule. Hours for part-time work schedules are determined on a proportionate basis.

26-5 Part-time employees normally scheduled to work twenty (20) or more hours per calendar week accrue paid vacation time on a basis which is directly proportionate to that accrued by full-time employees. Those normally scheduled to work less than twenty (20) hours per calendar week shall not accrue paid vacation time.

26-6 Paid vacation time accrues and is recorded at the beginning of each calendar month of employment.

26-7 No employee may accrue paid vacation time in excess of twenty-four (24) times his rate of accrual per calendar month.

SECTION B

ELIGIBILITY

26-8 No employee shall be eligible for paid vacation time or receive pay in lieu of vacation time before it accrues.

SECTION C

PAY IN LIEU OF VACATION TIME

26-9 An employee will receive pay in lieu of paid vacation (i.e., without taking actual time off from work) only after completion of the employee's probationary period and then only under the following circumstances:

1. Retirement; or
2. Termination, for whatever the reason; or
3. Death, in which case a survivor will be paid.

SECTION D

PAY FOR ACCRUED VACATION TIME

26-10 Pay for vacation time shall be at the employee's hourly rate at the time vacation is taken plus shift premium, if applicable, times the number of hours of accrued paid vacation time scheduled and used and shall be paid to the employee on the employee's regular pay day.

26-11 Pay in lieu of vacation time shall be at the employee's hourly rate at the time the event set forth in Section C

occurs plus shift premium, if applicable, times the number of hours of accrued vacation time.

SECTION E

SCHEDULING OF PAID VACATION TIME

26-12 Paid vacation time shall be scheduled to meet the work requirements of the University on a departmental basis and by classification with due consideration given to an employee's wishes as to time and duration in accordance with the following procedure:

1. Each department will post any limitations concerning the scheduling of vacation, including the election to close down any or all of the operations of the department and schedule vacations during the close down period, providing notice of the close down period is given in writing at least ninety (90) calendar days prior to the close down to the Union, and the employees affected. At the employee's option, the employee may elect to be temporarily laid off—rather than being scheduled on vacation. However, when December 24th occurs on a Monday or January 2nd occurs on a Friday, and the department decides to close down on either of these dates, notice shall be given in writing at least thirty (30) calendar days prior to the close down. For a close down on December 24th or January 2nd, the employee may elect to use excused time without pay rather than being scheduled on vacation.
2. Employees will request vacations as early as possible but no later than thirty (30) calendar days prior to the date the vacation is to begin.
3. Based upon the requests submitted, the department will schedule vacations in order of preference by classification on the basis of classification seniority.
4. Employees will be advised by their supervisor whether their vacation request is approved or denied within seven (7) calendar days.
5. Whenever a vacation request is made 30 calendar days prior to the date the vacation is to begin and the vacation request is approved by the employee's supervisor, the employee will not be required to work

overtime during the period they requested off beginning at the normal stop time of the last scheduled day of work. This period includes scheduled days off (RDO, holidays, and season days) that immediately precede or follow the requested vacation time.

- 26-13 Vacations which are not scheduled in accordance with the above procedure may be granted by the University provided it is requested forty-eight (48) hours in advance by the employee; except when extraordinary circumstances beyond the control of an employee cannot be corrected in time for the employee to meet his/her employment obligation, paid vacation time may be granted for the absence without the forty-eight (48) hours notice.
- 26-14 If a day observed by the University as a holiday as provided in Article 24 occurs during an employee's vacation, the employee shall, if otherwise eligible for it, receive holiday pay and will not have that time off charged against accrued vacation time.

ARTICLE 27

The amount of time off work with pay shall be only that which is required to attend the funeral or memorial service and make necessary funeral or memorial service arrangements and (prior or subsequent to the funeral or memorial service) financial, custodial, or other necessary arrangements for surviving family members. In no event shall the time off exceed twenty-four (24) hours per funeral or memorial service occurrence.

- 28-1 An employee who loses time from work during the employee's normal schedule of work because of jury duty service or to testify pursuant to a subpoena shall be paid for such time lost at the employee's hourly rate plus shift premium, if applicable.
- 28-2 Except as otherwise provided in this Agreement, such jury duty and witness service shall be considered time worked. The employee shall furnish the University with a written statement from the court showing the days and time of jury duty or witness service. An employee will report for work when released from jury duty or witness service.
- 28-3 An employee who does not lose time from work, but who nevertheless has performed jury duty service or testified pursuant to a subpoena within the eight hour period immediately before the beginning of his/her shift, at the request of the employee may have an amount of time off work equal to the time the employee was required to spend in court during that eight hour period. In such a case, the employee will be paid for this time in the same manner as if he/she had lost time from work.
- 28-4 An employee who is required to report for jury duty service or testify pursuant to a subpoena following completion of a shift which ends after midnight, will be excused from work at midnight and paid for such lost time at his/her hourly rate plus shift or special schedule premium, if applicable.
- 28-5 None of the above provisions will apply to an employee who is a plaintiff, except for a plaintiff in a domestic dispute, whether testifying pursuant to a subpoena or not. Such an employee must make prior arrangements with the supervisor for either vacation or an excused absence without pay.

ARTICLE 29

Such an employee will be paid for the time lost at the employee's hourly rate plus shift premium, if applicable. Armed forces reserve or National Guard base pay shall be offset against such pay. Except as otherwise provided in this Agreement, such service shall be considered time worked. The employee shall furnish the University with written evidence of service and the amount of base pay the employee was eligible to receive. If an employee receives vacation pay during a period of training or service, the employee shall not be eligible for the pay provided by this Article for that period of time for which the employee received vacation pay.

Medical Leave Act of 1993 (FMLA). An employee's absence may be partially or completely covered by the FMLA during the following leaves of absence: medical, child care, medical/child care, family care, qualifying exigency, and care of a covered servicemember. An absence for an FMLA qualifying event will be counted toward an employee's 12 or 26 weeks of eligibility under the FMLA from the beginning of the employee's FMLA eligible leave of absence.

- 30-5 The employee's date of hire as a regular employee is used to designate the 12 month period during which an employee is entitled to be absent from work for up to 12 weeks. The first day of an employee's absence to care for a servicemember with a serious injury or illness designates the 12 month period during which the employee is entitled to be absent from work for up to 26 weeks.
- 30-6 To the extent applicable, all provisions of this Article will be interpreted to be consistent with the Family and Medical Leave Act of 1993, as amended. SECTION A. GROUP HEALTH INSURANCE PLAN

- 32-1 The Group Health Insurance Plan provided by the University includes a medical and prescription drug plan, and shall be as provided by the University within the Benefits Program in the same manner and to the same extent as provided by the University for employees not represented by a union. Prior to the execution date of this Agreement the Union has had the opportunity to have explained the hospital, medical and prescription drug coverage available from the various organizations during the term of this Agreement and from which an employee can select coverage. In the event of any changes in the coverage from any of the organizations, the Union will be notified prior to the effective date of change.
- 32-2 In addition to the current health care programs offered by the University, the University will offer a Comprehensive Major Medical program with no employee cost at any coverage level. It is understood that to accomplish this, the offered program may change from time to time.
- 32-3 An employee may elect no health insurance, and certify to the University that they have coverage through another employer's plan. Newly hired, eligible employees who do not enroll in a health insurance plan within 30 calendar days of their date of hire will not be enrolled.
- 32-4 No matter concerning the Group Health Insurance Plan shall be subject to the Grievance and Arbitration Procedures, except for questions concerning compliance with the specific provisions of this Article, and whether or not the employee has coverage in accordance with terms of the Plan.
- 32-5 The Group Health Insurance Plan (medical and prescription drug) will contain a 4-tier rate structure consisting of:
- I. One adult;
 - II. One adult plus any number of children;
 - III. One adult plus one adult dependent;
 - IV. One adult plus one adult dependent plus any number of children.

32-6 The University contribution toward employee health insurance will achieve an average aggregate contribution ratio of 70% contributed by the University and 30% contributed by employees. The aggregate contribution of 30 percent is inclusive of the cost of health care premiums, co-pays (for prescription drugs, office visits, emergency and urgent care visits, etc.) and deductibles. The University contribution for health insurance will be based on the two lowest-cost comprehensive plans and do so by weighting the premiums based on enrollment. Thereby any cost increases in a plan with low enrollment will not cause a greater increase than necessary for those in other health plans. The base premiums will be calculated on actual cost experience: Employee-only coverage, Employee plus adult dependent, Employee plus child(ren), Employee plus adult and child(ren); that results in a prioritized University contribution. The highest percentage University contribution will be made for employees, a higher percentage University contribution for child dependents, followed by a high percentage University contribution for adult dependents.

Effective January 1, 2016, the co-pay for office and urgent care visits will be \$25.00, specialty physician visits will be \$30.00, and emergency room visits will be \$100.00. If the employee is admitted to the hospital, the co-pay for the emergency room visit is waived.

32-7 Employees working full-time (30 hours or more) will receive University contributions as follows:

Salary Bands	One Employee	Adult Dependent	Children
Band 1: (1st quartile)	93%	66%	75%
Band 2: (2nd quartile)	Between 90-93%	Between 57-66%	Between 70-75%
Band 3: (3rd & 4th quartile)	90%	57%	70%

- 32-8 The bands are based on quartiles, so the breakpoints from one band to the next will automatically adjust each year as salaries change. This calculation is made by the Benefits Office in accordance with recommendations made by the Committee on Sustainable Health Benefits (COSHB).
- 32-9 If the salary of the employee falls into Bands 1 or 2, the employee will receive a greater percentage of University contribution toward health care than those in the upper 50% of the pay spectrum. U-M contribution for eligible part-time employees working 20 to 29.9 hours will receive 80% of the contribution percentage applied to full-time employees (80% times 93% of the University contribution). All part-time employees will be assigned to Band 1.
- 32-10 The employee will be responsible for any additional premium cost above the base Employer contribution rate toward the employee's plan of choice.
- 32-11 If, during the term of this Agreement, a federal or state law is enacted which requires the payment of taxes or premiums to either the federal or state government or another entity for hospital or medical benefits for employees, the University may make such adjustments in the schedules of benefits provided by this Article to avoid duplication of benefits. In addition, any such taxes or premiums paid by the University shall be included in the total dollar limitation provided in this Article.

SECTION B. GROUP DENTAL PLAN

- 32-12 The Group Dental Plan shall be as provided by the University in the same manner and to the same extent as provided to University employees not represented by a union within the Benefits Program. Employees have a choice of three dental plan options. During the term of this Agreement, no less than the University of Michigan Dental Plan, Option I schedule of benefits in effect at the execution date of this Agreement will be provided and maintained. In the event of any changes in the benefits, the Union will be notified prior to the effective date of change. The University contribution toward dental plan coverage will be provided in the same manner and to the same extent as provided to University employees not represented by a union.
- 32-13 No matter concerning the Group Dental Plan shall be subject to the Grievance and Arbitration Procedures,

except for questions concerning compliance with the specific provisions of this Article, and whether or not the employee has coverage in accordance with terms of the Plan.

- 32-14 If, during the term of this Agreement, a federal or state law is enacted which requires the payment of taxes or premiums to either the federal or state government or another entity for dental benefits for employees, the University may make such adjustments in the schedules of benefits provided by this Article to avoid duplication of benefits. In addition, any such taxes or premiums paid by the University shall be included in the total dollar limitation provided in this Article.

(See Memorandum of Understanding - 7)

- 32a-1 A Legal Plan and a Vision Plan shall be as provided under the Benefits Plan in the same manner and to the same extent as is provided for employees not represented by a Union. No matter concerning the above benefits will be subject to the Grievance and Arbitration Procedures; except for questions concerning compliance, with the specific provisions of this Article and whether or not the employees have coverage in accordance with terms of the Benefits Plan.

The Tuition Support Program shall not be eliminated during the term of this Agreement.

ARTICLE 38

CONTINUING EDUCATION

SECTION A

- 38-1 The Union and the University recognize that it is in the best interests of both parties that employees receive continuing education to acquire new knowledge or skills and to enhance existing skills and abilities related to their job assignments. Accordingly, at the request of the employee and with the approval of the employee's department head

(or equivalent level of supervision), an employee may attend appropriate seminars, course work or participate in other continuing education directly related to that employee's current or future job assignments. In addition, employees who receive such training or education may be required to train or assist in the training of others.

ARTICLE 39

SAFETY

SECTION A

- 39-1 The University shall continue to provide for the safety of employees during the hours of their employment. In the event that an employee has a grievance concerning this provision the employee should use the Grievance Procedure as soon as possible. The University also will receive and consider written recommendations with respect to unsafe conditions or other safety ideas from any employee or the Union.
- 39-2 A Central Safety and Health Committee (CSHC) of the University including Union representatives shall meet once a month for a regularly scheduled meeting to discuss safety and health issues, and develop and implement programs related to safety and health. Representatives of the Union not to exceed five (5), who have been designated as regular members of the CSHC shall not suffer loss of time or pay when absent from their assigned schedule of work while attending a meeting. A list of regular CSHC members shall be exchanged by the parties.

The other party shall be notified promptly in writing of any changes in its members. In addition, at least once during each month, each shop or suitable group of employees shall conduct a meeting to discuss safety issues.

- 39-3 Whenever an employee alleges that an unsafe condition exists on a work assignment to which he has been assigned, and the unsafe condition could cause serious physical harm or disabling illness or injury, the employee shall immediately contact his supervisor. If the supervisor agrees that an unsafe condition exists, the supervisor will reassign the employee to other work until the unsafe condition is corrected. If correction is not made by the supervisor, or if the supervisor is not certain of the seriousness of the condition, the supervisor will contact the department head (or equivalent level of supervision) who will, if facts and circumstances warrant, contact the Department of Environmental Health and Safety for investigation and determination of what action, if any, is necessary to correct the unsafe condition. Until the department head (or equivalent level of supervision) has reviewed the alleged unsafe condition, the employee will be reassigned to other work or, in the alternative, not be required to proceed with the work assignment. In the event that the department head (or equivalent level of supervision) disagrees with the employee's allegation and after explanation to the employee, the employee may immediately request the President who may immediately file a grievance at Step Two of the Grievance Procedure. Such a grievance hearing will be scheduled as promptly as reasonably practicable, but in no event later than the next workday. Should an investigation by the Department of Environmental Health and Safety be deemed necessary in accordance with the above procedure, the employee will not be required to proceed with the work assignment until such investigation and determination is completed.

SECTION B

- 39-4 An employee who is injured during the employee's hours of employment shall report the injury to the employee's immediate supervisor as soon as practicable. If the injury is to the extent of doctor's or hospital care, arrangements will be made by the University to provide transportation to University Hospital, if practicable, otherwise to another medical facility. The injured employee shall be paid at the employee's hourly rate of pay, plus shift premium, if applicable for the time lost from work, provided the

employee returns to work and finishes out the employee's shift following treatment, unless on doctor's orders the employee is told not to return to work, in which case the employee's pay shall cease on completion of treatment. In no event, however, shall the employee be paid for time beyond the quitting time of the employee's scheduled shift or for any overtime hours.

ARTICLE 40

DISCIPLINE

SECTION A

- 40-1 The University shall not discharge or take other disciplinary action for employees who have acquired classification seniority without just cause. Following the determination of just cause, such disciplinary action taken shall not be arbitrary nor shall it be excessive in relation to the offense.

SECTION B

- 40-2 In taking disciplinary action, the University shall not take into account any prior incidents which occurred more than two (2) years previously.

SECTION C

- 40-3 When an employee is suspended and ordered to leave work for disciplinary reasons, the President, or in the President's absence, the Vice President, shall be notified by the University and, without loss of time or pay, the President or the Vice President will be afforded the opportunity to consult privately with the employee for a reasonable period of time at a place provided by the University before the employee leaves the University premises, however, if the immediate removal of the employee from University premises is necessary, such opportunity to consult need not be afforded. In such a case, by the end of the next business day (Monday – Friday), the University shall notify the President, or Vice President, of the incident.
- 40-4 In addition and thereafter the President or the Vice President may discuss the situation with other employees, one at a time, in possession of relevant facts.

- 40-5 In the event that an employee is suspended from employment pending a decision as to the extent of the disciplinary action to be taken, if any, the suspension will be no longer than is necessary to gather sufficient facts to make a decision. If a disciplinary review conference is necessary it will be convened as soon as possible, and within fourteen (14) calendar days of the suspension.

SECTION D

- 40-6 The University shall convene a disciplinary review conference prior to discharging an employee to discuss the matter(s) of concern and give the Union and employee an opportunity to respond. The President, employee, employee's steward and supervisor(s), and a representative from University Human Resources will be at this conference. The employee and the employee's steward who may lose time from their regular work schedule shall not lose time or pay while attending this conference, unless the employee is suspended at the time of the conference.
- 40-7 The University shall give the President written notification of any disciplinary action taken which involves a disciplinary layoff, paper disciplinary layoff or discharge, including a copy of any written notification to the employee and letters of reprimand and disciplinary layoff, if any, involved in the decision, within five (5) calendar days after the action is taken.

(See Memorandum of Understanding-13)

SECTION E

- 40-8 A grievance which (1) concerns a disciplinary layoff, paper disciplinary layoff or discharge of a non-probationary employee, and (2) alleges that no just cause in fact existed, or that the disciplinary action was taken arbitrarily and/or was excessive, may be processed through the Grievance and Arbitration Procedures provided it is submitted in writing at Step 2 within the next fifteen (15) calendar days following the day of notification to the President of the disciplinary action. Failure to submit a written grievance within that time period shall constitute a waiver of all claims concerning such disciplinary layoff, paper disciplinary layoff or discharge.

40-9 If any grievance alleging a violation of this Article should be taken to Arbitration, the arbitrator's authority shall be limited to the fact question of whether there was just cause and as follows:

1. If the arbitrator finds there was just cause, the arbitrator may modify the disciplinary action taken only if it was
 - A. taken arbitrarily and/or
 - B. excessive; otherwise the arbitrator must affirm it.
2. If the arbitrator finds there was no just cause, the arbitrator shall nullify the disciplinary action taken.

- 42-7 Thereafter, no later than the end of the next working day the employee's supervisor or department head (or equivalent level of supervision) shall set a place and time during working hours, or at another time, if mutually convenient, for a conference to discuss the grievance with the aggrieved employee and the employee's steward who shall represent the employee in the conference.

42-8 The supervisor or department head (or equivalent level of supervision) shall make arrangements for the steward to be excused from work for the conference. Before the conference to discuss the grievance, the steward, at the steward's request, shall have the opportunity to discuss the grievance with the employee and with other employees in the steward's area of representation, one at a time, in possession of facts relevant to the grievance for a reasonable period of time at a place provided by the supervisor or department head (or equivalent level of supervision). In the event that employees not within the steward's area of representation are in possession of facts relevant to the grievance, the steward may request, and the supervisor or department head (or equivalent level of supervision) may grant, the opportunity to discuss the grievance with such employees for a reasonable period of time at a place provided by the supervisor or department head (or equivalent level of supervision).

Step Two - Written

42-9 If the aggrieved employee does not receive a satisfactory oral answer, or if the employee does not receive any answer at Step One within one (1) mutual working day following the day of the oral presentation, the President may reduce the grievance to writing and submit it to the University Review Committee for a written answer. The Step Two grievance must be submitted within the fifteen (15) calendar day period following the Step One presentation except the University Review Committee may extend the time limit for submission to Step Two, providing the extension is requested by the President before the time limit ends.

42-10 In reducing his/her grievance to writing, the employee shall request his/her supervisor to call the President. In such a case, the President shall be called during that shift or not later than the end of the employee's next shift and arrangements made for a place and time either during the shift, or at the end of the shift if mutually convenient, to reduce the grievance to writing.

42-11 The grievance shall set forth the name of the employee, department head, foreperson and steward; the employee's UMID and job title; the date of the Step One grievance; the type of grievance; the facts, including dates and provisions of the Agreement that are alleged to have been violated; and the remedy desired.

- 42-12 The grievance shall not be considered submitted until the written grievance is received by the University Review Committee at a place designated by the University. At the time the grievance is received it shall be dated, numbered and a copy returned to the President.
- 42-13 Upon receipt of the written grievance, the University Review Committee shall set a place and time during working hours, or outside of working hours, if mutually convenient, within the next seven (7) calendar day period for a hearing of the grievance with the aggrieved employee, the President, the employee's steward, management representatives from the employee's department and Human Resources, and a reasonable number of non-employee officials of the Washtenaw County Skilled Building Trades Council. The hearing shall be convened within 21 calendar days from the receipt of the written grievance, unless mutually agreed otherwise.
- 42-14 In such a case, the University Review Committee shall make arrangements for the employee, the President and the employee's steward to be excused from work for the oral presentation. Before the hearing of the grievance, the President, at the President's request, shall have the opportunity to discuss the grievance with the employee and with other employees, one at a time, in possession of facts relevant to the grievance, for a reasonable period of time at a place provided by the University Review Committee. However, if the President has used the opportunity provided in Section C of Article 40 prior to submitting the grievance, no additional discussion need be provided.
- 42-15 The written answer will be issued by a date mutually agreed to by the parties at the Step Two hearing, but, in any event, no later than thirty (30) calendar days following the date of the Step Two hearing. The answer shall be delivered to the Union on the date appearing on the Step Two answer.

SECTION E

INVESTIGATION BY NON-EMPLOYEE UNION OFFICIALS

- 42-16 Upon request to the University Review Committee, two (2) non-employee officials of the Union who will represent an employee in the grievance or arbitration procedures may visit the University for the purpose of preparing the case for presentation.
- 42-17 During such a visit the representatives may view any area relevant to the grievance with the President and the aggrieved employee. A representative of the University, at its option, may accompany the parties. In addition, the representatives and the President may privately interview employees, one at a time, in possession of facts relevant to the grievance. The interviews shall be held at a place provided by the University and for a reasonable period of time.
- 42-18 During any such visit, the representatives shall not in any way interfere with the orderly and efficient operation of the University.

SECTION F

PAY, TIME LIMITS, AND ADJUSTMENT

- 42-19 An employee who loses time from his/her assigned schedule of work in the manner provided for in this Article shall do so without loss of time or pay.
- 42-20 A steward, alternate steward, President, or Vice President will be granted a necessary and reasonable amount of time off from his/her assigned schedule of work, without loss of time or pay, while directly involved in the manner provided at the appropriate Step of the grievance procedure for the following activities:
1. reducing the grievance to writing,
 2. discussion of grievance with the employee and other employees, or
 3. hearings.

- 42-21 Such Union representatives and other employees shall receive permission from their immediate supervisor to leave their work, but must report back to their immediate supervisor when their part in the grievance handling has been completed.
- 42-22 If the aggrieved employee does not submit his/her grievance to Step Two of the grievance procedure within the prescribed time limit, the employee's grievance shall be considered settled on the basis of the University's answer at Step One, unless the University has extended the time limit for submission to Step Two as provided in Section D of this Article.
- 42-23 The Union, the aggrieved employee, the employee's steward, the employee's Vice President and the employee's President shall all receive a copy of all written answers.

SECTION G

LIABILITY

- 42-24 Except as otherwise specifically provided or limited, the University shall not be liable on a grievance claiming back wages or other financial reimbursement for any of the following periods:
1. The period between the first date offered for discussion of a grievance by the University at Step Two and the date when the Union is first available for discussion, when the first date offered by the University is delayed at the request of the employee or the Union, except if the Union is available prior to the first date offered by the University this provision shall not apply; and
 2. The period between the first date the arbitrator is available for an arbitration hearing and the date of hearing, when the first date is rejected by the Union.

SECTION H

WITHDRAWAL OF A GRIEVANCE

- 42-25 A grievance which has been submitted may be withdrawn by the Union at any Step of the Grievance Procedure

without prejudice to the position the Union may take in handling another grievance.

ARTICLE 43

ARBITRATION

SECTION A

SUBMISSION TO ARBITRATION

- 43-1 A grievance as defined in Article 42, and within the jurisdiction of the arbitrator, may be submitted to arbitration by the Union within no later than thirty (30) calendar days, unless mutually agreed otherwise, after the date of the University's Step Two answer, or if the Union does not receive a Step Two answer within thirty (30) calendar days after the Step Two answer was due.
- 43-2 The Union will provide written notice of its arbitration submission to the University's Staff HR Services Office. The notice will include the following information:
- Grievance number and grievant name
 - The issue of the grievance
 - The provisions of the Agreement involved
 - The name of the arbitrator to be assigned as referenced below
- 43-3 If no such arbitration submission notice is given to the University within the above referenced thirty (30) calendar days the grievance shall be considered settled.
- 43-4 Upon receipt of the Union's arbitration submission the parties may attempt to resolve the grievance prior to notifying the assigned arbitrator. If the parties are unable to resolve the grievance, the Union will notify the assigned arbitrator and the University's Office of the Vice President and General Counsel with sufficient information to identify the grievance, and initiate the scheduling process.
- 43-5 A notice to an arbitrator shall be for a single grievance, unless the parties mutually agree otherwise in writing, and shall be given to an arbitrator on a rotating basis and in sequential order based on the date on the written Step Two

answer. Once an arbitrator is provided notice and the case does not go to hearing for any reason, the assigned arbitrator will go to the bottom of the rotation list just as if he/she had heard the case.

SECTION B

SELECTION OF ARBITRATORS

43-6 The Union and the University shall agree on a panel of six (6) arbitrators. If an appointed arbitrator(s) is unable or unwilling to continue this appointment, the rotating schedule shall be sequentially adjusted in order that all arbitrations are assigned to the remaining arbitrators. The Union shall provide each arbitrator with a copy of this Agreement within fifteen (15) calendar days after printed copies are available.

Effective with the execution of this Agreement, the panel of arbitrators shall be as follows:

1. Ruth Kahn
2. Mario Chiesa
3. Paul Glendon
4. Stephen Mazurak
5. David Grissom
6. Patrick McDonald

SECTION C

TERMS AND CONDITIONS OF ARBITRATION

43-7 Every grievance submitted to an arbitrator for decision shall be subject to the following terms and conditions:

1. Upon receipt of the notice to the arbitrator as set forth in Section A., the parties shall schedule the matter with the arbitrator by telephone conference call, email, or otherwise. To the extent practicable, the time of the hearing shall be as mutually agreed by all parties; however, in the event mutual agreement cannot be reached, the arbitrator shall schedule the hearing.
2. Any and all other correspondence or communication to or with an arbitrator, by either the Union or the

University, unless done by telephone conference call with all parties present or initiated by the arbitrator, shall be in writing with copies of same being sent to the other party.

3. Adjournments of previously scheduled arbitrations at the request of either the Union or the University shall be only by mutual written agreement, except that the arbitrator may order a new date at the request of either party for good cause and based on reasonable necessity.
4. At the time of the arbitration hearing, both the University and the Union shall have the right to examine and cross-examine witnesses and introduce evidence, subject to the authority of the arbitrator.
5. Upon the request of either the University or the Union, or both, or the arbitrator, a transcript of the hearing shall be made and furnished to the arbitrator, with the University and the Union having an opportunity to purchase their own copy.
6. At the close of the hearing, the arbitrator shall afford the University and the Union a reasonable opportunity to furnish briefs, unless the parties and arbitrator agree to have the matter decided on the testimony and/or oral argument.
7. The jurisdictional authority of the arbitrator is defined as, and limited to, the determination of any grievance as defined in Article 42 submitted to the arbitrator consistent with this Agreement and considered by the arbitrator in accordance with this Agreement.
8. The arbitrator shall not have any authority to add to, subtract from, or otherwise modify any of the terms, clauses or provisions of this Agreement.
9. Except as otherwise provided and limited by this Agreement, no grievance claiming back wages shall exceed the amount of wages the employee otherwise would have earned less any remuneration or payments the employee may have received, during the employee's period of suspension from employment with the University.

10. The fees and expenses of the arbitrator, including the expense of a transcript, if any, shall be shared equally by the University and the Union, except that if the Union does not receive a written answer or the written answer is not postmarked within the thirty (30) calendar day period following the date of the Step Two hearing, unless extended by mutual Agreement of the parties, and the Union gives written notice for arbitration of the grievance as provided in Section A, the University will pay the full fees and expenses of the arbitrator, but not the transcript, if the grievance is sustained by the arbitrator.
11. An employee who attends an arbitration hearing for the purpose of testifying during assigned working hours shall do so without loss of time or pay.
12. It is expected that the arbitrator shall render a written decision within 30 calendar days, or otherwise as soon as possible.
13. The arbitrator's decision when made in accordance with the arbitrator's jurisdiction and authority established by this Agreement shall be final and binding upon the University, the Union and the employee or employees involved.

ARTICLE 44

MISCELLANEOUS

- 44-1 A supervisor will not perform work assigned to employees in this bargaining unit, unless practical considerations call for the supervisor to perform such work, but it shall not be to the extent that an employee is displaced nor more than what the situation calls for.
- 44-2 No employee will be required to furnish his/her own tools or equipment.
- 44-3 No employee will be required to use his/her own vehicle to perform a work assignment or to furnish his/her own transportation from his/her assigned reporting location to or from another work location.
- 44-4 If any provisions of this Agreement shall be found to be contrary to Federal or State Law that portion only shall be null and void and such a determination shall not affect any other portion of this Agreement.

ARTICLE 45

WAIVER

- 45-1 The University and the Union acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the University and the Union for the life of this Agreement each voluntarily and unqualifiedly waives the right, and agrees that the other shall not be obliged, to bargain collectively with respect to any subject or matter referred to or covered in this Agreement.

ARTICLE 46

TERM OF AGREEMENT

46-1 This Agreement shall become effective on October 11, 2015 and shall remain in full force and effect until and including May 31, 2019, and thereafter from year to year, unless within the thirty (30) day period immediately preceding April 1, 2019 or any anniversary thereof, written notice of termination is given by either the University or the Union to the other party.

Effective 7/15/18 (\$1.72 per hour)

An employee who works beyond the employee's scheduled hours shall continue to receive the shift premium, if any, determined by the employee's starting time, except if the employee works a full eight (8) hour shift, the employee shall be paid the shift premium for that shift or the shift premium for the employee's first eight (8) hours, whichever premium is greater.

LEAD PERSON PAY

An employee who, in addition to or as a substitution for the employee's normal duties and responsibilities, is specifically assigned by the employee's immediate supervisor the responsibility to assign and coordinate the work of not less than three (3) other employees working together as a crew and to see that the assignment runs smoothly and efficiently and to answer to the employee's immediate supervisor for progress or lack of progress and the quality of work being done shall be paid \$1.50 per hour in addition to the employee's hourly rate during the period of the employee's assignment. Typically, assignments shall be made to run the day to day activities of employees assigned to one or more work sites. Duties include direction, manpower requests, material ordering, communication with other parts of the organization and customers, the collection and confirmation of time card data, and the reporting of job related problems to his/her supervisor. A lead person will have no authority to hire, discipline, discharge, or approve time off requests.

Nothing in this section shall be construed to mean that an employee must be assigned or accept this responsibility. Such assignments are solely within the discretion of the University. However, when consistent with the operating needs and work requirements of the University, such assignments will be offered to employees on a rotating basis to the extent practicable. A list of employees interested in the lead person role will be maintained in each departmental unit. Departmental expectations of a lead person will be documented for review by employees considering the role.

The University will provide the Union with notice of the start date of any assignment that will exceed five work days, and the end date of the assignment following the conclusion of the assignment. An assignment as lead person will not exceed 150 calendar days without the consent of the Union.

LEAD-PAINT ABATEMENT PREMIUM

In the event that a Construction Laborer, Painter or Painter Incumbent, trained and qualified in lead paint abatement, is assigned to the removal and abatement of lead-based paint for four (4) or more hours in a workday, the employee will be paid at the Pay Grade 5 job rate for the entire workday.

TUNNEL PREMIUM

The Union and the University recognize and agree that the circumstances and working conditions of employees assigned to a regular and recurring schedule of work in the utility tunnels and other, mutually agreed areas, are distinct and unique from those of all other employees. Based on these considerations, employees whose normal schedule of work requires the performance of work in the utility tunnels for forty (40) hours or more in a bi-weekly pay period shall receive a premium of fifty cents (\$.50) per hour for all hours worked.

APPENDIX E

APPRENTICE RATES

1. An employee who is an apprentice shall be paid at a percentage of the top rate as set forth below for the classification for which he/she is an apprentice. Providing satisfactory progress is achieved in his/her academic and on-the-job training, the apprentice shall progress from one step to the next per the applicable schedules below, except the final step to 100% for apprentices under the sixty (60) month step schedule below will be the completion of 8,000 hours, or sixty (60) months, depending on which apprenticeship educational curriculum program the apprentice is participating in, and depending on any licensing obtainment requirements that may be approved by the Joint Apprenticeship Committee for the apprentice's classification.

In the event that an apprentice does not successfully complete any required course work, on-the-job training and/or licensing requirements, step increases, including the final increase, may be withheld until the deficiency is corrected. The apprentice is expected to make a good faith effort to correct any deficiency. If the final increase is withheld by the University, the employee will remain in the apprentice classification until the deficiency is corrected.

For a 48 Month Apprenticeship				
Start	18 month	30 months	42 months	48 months
65%	70%	75%	80%	100%

For a 60 Month Apprenticeship						
Start	18 month	30 months	42 months	48 months	54 months	60 months
65%	70%	75%	80%	85%	90%	100%

2. Time off without pay shall not be counted in progressing from one rate to the next in the wage schedule.

3. Any apprentice who, as part of an apprenticeship program established by the University, is assigned to participate in classroom training during the normal work schedule of the apprentice shall not suffer loss of time or pay as a result of such participation.
4. An apprentice who successfully completes the apprenticeship program will be classified as journeyperson. Upon successful completion of the apprenticeship, 2 years classification seniority will be given to employees in a 48 month apprenticeship program, and 2½ years to employees under a sixty (60) month step schedule apprenticeship program.

JOINT APPRENTICESHIP COMMITTEE

Guidance shall be provided to the University Apprenticeship Program by a Joint Apprenticeship Committee, which shall consist of four (4) persons representing the University and four (4) employees representing the Union. Other persons may attend the meetings of the Committee upon invitation by either party to provide information, technical assistance or educational expertise, but such persons shall have no official voice in the proceedings of the Committee. The Committee shall meet as it determines during normal working hours, but in no event less than quarterly, to discuss issues of mutual interest and concern regarding apprenticeship. Employees who are Committee members shall not suffer loss of time or pay for attending such meetings.

The Committee shall provide advice and recommendations on the establishment of selection criteria, qualifications for apprentices, selection of apprentices, instructional programs and schedules of necessary on-the-job work experiences, and shall review the progress of apprentices with regard to course work, on-the-job training, and/or licensing requirements.

This understanding shall not be construed as adding to or detracting from the provisions of Article 2 (Management Rights) of this Agreement; however, prior to a decision to remove or retain an apprentice, to extend training or to withhold a step increase, the Committee shall be consulted by the University and the Committee shall provide a recommendation on the appropriate action to be taken. In this regard, and recognizing that problems concerning the performance, attendance or misconduct of apprentices shall be referred to the Committee prior to decision, any disciplinary action taken against an apprentice, including discharge, shall not be subject to the provisions of Article 42 (Grievance Procedure) or Article 43 (Arbitration Procedure).

APPRENTICE TRAINING PROGRAMS ELECTRICAL - LOCAL 252

By mutual agreement of the University and the Skilled Trades Board, there will be an alternative training program provided for Electrical Apprentices, whereby they shall receive the classroom portion of their training through the Electrical Apprentice Training Program run by the Ann Arbor Electrical Joint Apprenticeship & Training Committee, Local 252.

The apprentice(s) will attend class one full day (8 hours) every other week, on unpaid time. In order to accommodate this class training, the apprentice's foreman will adjust their work schedule so that he/she may work eight, nine or ten hour workdays, or a combination of such workdays within a workweek. It is agreed that the apprentice(s) will not receive overtime for any adjusted work schedule unless he/she works more than ten hours in a day or forty hours in a workweek.

In recognition of the substantially higher cost of this Local 252 apprenticeship training, in comparison with training provided by the University for apprentices in other classifications, and to help ensure completion of the program and return on the University's investment in the education of the apprentices, the University will require the Electrical Apprentices to sign a promissory note in the amount of \$5,000 at the beginning of each school year, acknowledging that the apprentice will be required to repay this amount to the University in the event they leave the apprenticeship program, whether voluntarily or not.

At the end of the five year apprenticeship, the apprentice will owe the University of Michigan a total of \$25,000, which may be paid in cash or forgiven in \$5,000 increments for each subsequent year of full-time employment with UM Plant Operations as a journeyman. These payback provisions for leaving the Apprenticeship Program before completion, or for the journeyman not fulfilling their employment obligation to UM Plant Operations are illustrated by the following schedule:

<u>Apprentice Leaves Program:</u>	<u>Amount Owed to University:</u>
During 1 st year of apprenticeship	\$ 5,000
During 2 nd year of apprenticeship	\$10,000
During 3 rd year of apprenticeship	\$15,000
During 4 th year of apprenticeship	\$20,000
During 5 th year of apprenticeship	\$25,000

<u>Employee Leaves UM Plant Operations:</u>	<u>Amount Owed to University:</u>
During 1 st year as a journeyman	\$25,000
After one year as a journeyman	\$20,000
After two years as a journeyman	\$15,000
After three years as a journeyman	\$10,000
After four years as a journeyman	\$ 5,000
After five years as a journeyman	\$ 0

If the employee ends employment any time before the completion of five years of service as a journeyman, the total amount owed to the University will become due immediately. If facts and circumstances such as layoff, serious illness or death indicate that repayment would cause a hardship, the Joint Apprenticeship Committee (JAC) may make a recommendation that the University defer or forgive all or a portion of the amount outstanding. It is recognized that the University will give due consideration to the recommendation of the JAC, but will retain final discretion in deciding whether or not to defer or forgive payment.

**PLUMBING, PIPEFITTING, AND AIR CONDITIONING
AND REFRIGERATION MECHANIC - LOCAL 190**

By mutual agreement of the University and the Skilled Trades Union, there will be an alternative training program provided for Plumbing, Steamfitting, or Air Conditioning and Refrigeration Mechanic Apprentices, whereby they may receive the classroom portion of their training through the Plumbing, Pipefitting, and Air Conditioning and Refrigeration Mechanic Apprentice Training Programs run by the United Association Local 190 in their facility at Washtenaw Community College.

In recognition of the substantially higher cost of this Local 190 apprenticeship training, in comparison with training provided by the University for apprentices in other classifications, and to help ensure completion of the program and return on the University's investment in the education of the apprentices, the University will require the Apprentices to sign a promissory note with \$3,500 annual increments, acknowledging that the apprentice will be required to repay this amount to the University in the event they leave the apprenticeship program, whether voluntarily or not.

At the end of the five year apprenticeship, the apprentice will owe the University of Michigan a total of \$17,500 which may be paid in cash or forgiven in \$3,500 increments for each subsequent year of full-time employment with UM Plant Operations as a journeyman. These payback provisions for leaving the Apprenticeship Program before completion, or for the journeyman not fulfilling their employment obligation to UM Plant Operation are illustrated by the following schedule:

<u>Apprentice Leaves Program:</u>	<u>Amount Owed to University:</u>
During 1 st year of apprenticeship	\$ 3,500
During 2 nd year of apprenticeship	\$ 7,000
During 3 rd year of apprenticeship	\$10,500
During 4 th year of apprenticeship	\$14,000
During 5 th year of apprenticeship	\$17,500
 <u>Employee Leaves UM Plant Operations:</u>	 <u>Amount Owed to University:</u>
During 1 st year as a journeyman	\$17,500
After one year as a journeyman	\$14,000
After two years as a journeyman	\$10,500
After three years as a journeyman	\$ 7,000
After four years as a journeyman	\$ 3,500
After five years as a journeyman	\$ 0

If the employee ends employment any time before the completion of five years of service as a journeyman, the total amount owed to the University will become due immediately. If facts and circumstances such as layoff, serious illness or death indicate that repayment would

cause a hardship, the Joint Apprenticeship Committee (JAC) may make a recommendation that the University defer or forgive all of a portion of the amount outstanding. It is recognized that the University will give due consideration to the recommendation of the JAC, but will retain final discretion in deciding whether or not to defer or forgive payment.

Labor – Management Committee

The Labor-Management Committee provides a forum for communication and joint problem solving to support both parties' commitment to deliver high quality and cost effective service to the University community while maintaining a fair, equitable, and high quality work environment for Skilled Trades employees. This Committee will be comprised of three representatives of the UMSTU Executive board, two representatives from Management, and one from University Human Resources.

The purpose of this Committee is to discuss, explore, and study problems referred to it by the parties to this agreement. This Committee by mutual agreement shall be authorized to make recommendations on those problems. However this Committee shall have no authority to change, delete, or modify any of the terms of the collective bargaining agreement or waive the right to the grievance and arbitration process. It is recognized that recommendations coming out of these meetings are not binding or precedent setting. Committee discussions shall not be publicized except those recommendations that have been mutually agreed upon.

Meetings will be held as needed by mutual agreement, but no less than quarterly in a contract year. All meetings will be held during working hours of the Committee participants.

MEMORANDUM OF UNDERSTANDING - 2

OVERTIME

In the event that applicable state or federal laws or regulations relating to the provisions of Section E of Article 11 should change during the term of this Agreement to provide that such time off may be taken in another pay period than that in which the overtime was worked, the University and the Union agree that, notwithstanding the provisions of Section E of Article 11, such time off may be granted.

MEMORANDUM OF UNDERSTANDING - 3

VACATION RECORDING

During the term of this Agreement, and notwithstanding the provisions of Article 26, Section A, the Union agrees that the University may change the method of recording, calculating and reporting of hours of vacation time from a monthly to a bi-weekly basis, provided the annual vacation time accrued and payable to eligible employees is not reduced.

MEMORANDUM OF UNDERSTANDING - 4

PAINTER INCUMBENT/PAINTER

Except for the wage schedules in Appendix A, Painter Incumbent and Painter, will be considered as one classification in this Agreement.

MEMORANDUM OF UNDERSTANDING - 5

EXTRACURRICULAR COMMITTEES

It is understood and agreed that from time to time circumstances exist whereby employees are requested to serve on various extracurricular committees established by the University. Such assignments shall be voluntary. When a committee assignment which pertains to matters outside of an employee's regular duties or usual work is to be made, volunteers will be requested.

It is further understood and agreed that committee assignments related to an employee's regular duties or usual work, or as that work may relate to the work of others, are not subject to this memorandum of understanding and are specifically excluded from the foregoing provisions.

MEMORANDUM OF UNDERSTANDING - 6

AUDIO & VIDEO RECORDINGS

Employee conversations with or statements to or from supervisors and department heads (or equivalent level of supervision) shall not be recorded for any purposes whatsoever without the mutual written consent of all parties present, obtained prior to any audio & video recording occurring. In the event such mutual consent is obtained, mutually satisfactory arrangements for each party present to obtain a complete and accurate copy of the audio & video recording of the conversation between the supervisor and employee must be agreed upon prior to any audio & video recording occurring, otherwise the consent is void.

This Memorandum of Understanding does not apply to audio and video surveillance.

MEMORANDUM OF UNDERSTANDING - 7

BENEFITS

It is understood and agreed that the Group Life Insurance (Article 31), Group Health Insurance (Article 32), Group Dental Plan (Article 32), Travel Accident Insurance Plan (Article 33), Long Term Disability Plan (Article 34) and Retirement Plan (Article 35) are and will be as provided by the University. Notwithstanding the provisions of the above Articles of this Agreement, in the event that the University increases the level of University contribution for any of the above Plans for University employees not represented by a union the University will increase the contribution level for employees in this bargaining unit to the same extent and at the same time, in accordance with the terms of the Plan(s).

MEMORANDUM OF UNDERSTANDING - 8

FIRST AID TRAINING

The Union and the University recognize that it is in the best interests of both parties that employees receive first aid training both for their own protection and the protection of others. Accordingly, at the request of an employee and with the approval of the employee's department head (or equivalent level of supervision), an employee may attend basic or advanced first aid courses (including CPR) or other safety education directly related to the employee's job assignments. Such first aid or safety training will be provided by the University or, in the alternative, the University will pay the cost of tuition, course fees and books required for attendance approved in advance.

MEMORANDUM OF UNDERSTANDING - 9

Effective January 1, 2016 through December 31, 2019, the University shall provide and maintain the following schedule for prescription drug co-pays:

MEMORANDUM OF UNDERSTANDING - 10

SENIORITY GROUP MERGER

In acknowledgment of the maintenance services agreement between Plant Utilities and Maintenance Services (UMS) and the University of Michigan Health System (HHS), the parties agree to merge those employees in the Hospital seniority group who are now working in the Utilities and Maintenance Services Hospital Maintenance Group with the Plant seniority group.

If the maintenance contract terminates the trades employees who are assigned to Utilities and Maintenance Services Hospital Maintenance Group will remain in their positions and will again be designated in the Hospital seniority group. Trades employees hired at the Hospital after any termination of the service agreement will remain at the Hospital and be included in the Hospital seniority group.

MEMORANDUM OF UNDERSTANDING - 11

VACATION TIME ACCRUAL

During the term of the Agreement the accrual and recording of vacation time, per paragraph 26-6, may be changed from the beginning of the calendar month to the end of a calendar month. The Union will be notified six months prior to the effective date of such a change.

MEMORANDUM OF UNDERSTANDING - 12

HEALTH REIMBURSEMENT ACCOUNT (HRA)

The University established a Health Reimbursement Account (HRA) on January 1, 2006 for members of the Union. The University will continue to administer the HRA. Beginning in September 2011, the University will fund the HRA at the rate of \$25.00 per month, per employee.

The University will provide information on the rules regarding the use of the HRA consistent with IRS regulations.

MEMORANDUM OF UNDERSTANDING - 13

PAPER DISCIPLINARY LAYOFF

It is understood and agreed that “disciplinary action” referenced in Article 40 – Discipline – may include a written reprimand in lieu of a disciplinary layoff (paper DLO). A paper DLO will be clearly identified as such. It is further understood that a paper DLO would still be considered a disciplinary layoff for progressive discipline purposes, and would be subject to processing through the grievance procedure in the same manner as a disciplinary layoff.

A paper DLO appealed to arbitration would be held in abeyance at the Union’s option, and without prejudice to the Union until such a time that the grievance is either heard at arbitration or withdrawn by the union.

When the University decides to impose a paper DLO, the president shall be notified and may reject the use of a paper DLO, in which case the paper DLO will revert to a disciplinary layoff. If the president allows the paper DLO, it will in no way prejudice the Union’s position toward any grievance the Union may file on behalf of the disciplined employee. Additionally, the president will be afforded the opportunity to meet with the employee and fully explain the paper DLO.

MEMORANDUM OF UNDERSTANDING – 14

INACTIVE LANGUAGE/SEE ARTICLE 6

UNION SECURITY

SECTION A

During the life of this Agreement and to the extent the laws of the State of Michigan permit, every employee, beginning with the month following (1) thirty (30) calendar days after the execution date of this agreement or (2) thirty (30) calendar days after employment in the bargaining unit, whichever date is the later, and monthly thereafter shall tender to the Union, as a condition of continued employment in the bargaining unit, either periodic and uniformly required dues or, in the alternative, a service charge in an amount equivalent to periodic and uniformly required dues. Uniformly required dues or an equivalent service charge as used in this Article and in Article 7 shall mean that amount of uniform dues required by the affiliate of the Washtenaw County Skilled Building Trades Council for the classification in which the employee is classified.

SECTION B

No employee shall be terminated under Section A of this Article unless:

1. The Union first has notified the employee and the University with the following written letter:

Date _____

Dear _____

According to our records you are delinquent in not tendering either periodic and uniformly required dues or the service charge in an amount equivalent to periodic and uniformly required dues. The current amount of such delinquency is \$_____ for the months of _____, 20___. Unless such dues or service charge is tendered within thirty (30) calendar days, you will be reported to the University for termination of your employment as provided in Article 6 of our collective bargaining Agreement. A copy of this letter has been sent to The University of Michigan.

Sincerely yours,

Secretary/Treasurer/President
University of Michigan Skilled Trades Union.

2. The Union has furnished the University with written proof that the procedure of Section B (1) of this Article has been followed or has supplied the University with a copy of the letter sent to the employee and notice that the employee has not complied with the request. The Union must specify further, when requesting the University to terminate the employee, the following by written notice:

"The Union certifies that _____ has failed to tender either the periodic and uniformly required dues or service charge required as a condition of continued employment under the collective bargaining Agreement and that under the terms of the Agreement the University shall terminate the employee."

SECTION C

The Union shall indemnify and save the University harmless from any and all claims, demands, suits, or any other action arising from this Article or from complying with any request for termination under this Article.

SECTION D

The University will inform the President when any employee(s) represented by the Skilled Trades Union is scheduled for new employee orientation. During this new employee orientation the University will advise the new employee(s) of their obligation under Section A of this Article and that the employee's obligation under Section A is an express condition of employment. In addition, within five (5) working days after employment, the University shall provide the President, in writing, a confirmation of the University's Section A discussion with the new employee, including the employee's name, address, and telephone number. The President will also conduct a Union orientation with the new employee(s) for a reasonable period of time, within the new employee orientation schedule. Items such as the employee's obligations under Section A of this Article, and the Voluntary Authorization for Deduction of Dues or Service Charge form (which will be furnished by the President), will be discussed. The form will be returned to the President at the completion of the Union orientation.

Upon completion of the Union orientation, the President shall return the Voluntary Authorization for Deduction of Dues or Service Charge form to the duly designated University office.

SECTION E

Notwithstanding the specific provisions of Article 6, Union Security, the University and the Union agree that if the amount of the service fee is formally challenged by an employee who is not a member of the Union, the Union shall have the sole burden of establishing the legal validity of the fee. During the period of this formal challenge to determine the employee's pro rata share of the Union's cost of negotiating and administering the collective bargaining Agreement, the University shall not be obligated to terminate such employee's employment until the formal challenge has been resolved.
