

U-M Employee COVID-19 Testing Eligibility Assessment through MyUofMHealth

Overview

Michigan Medicine, U-M Ann Arbor, U-M Dearborn and U-M Flint employees and U-M health professions students in the medical, dental, nursing and pharmacy schools may now use the MyUofMHealth patient portal to assess their eligibility for a U-M employee COVID-19 test. If they are eligible, most employees and health professions students will be able to schedule their COVID-19 test through MyUofMHealth immediately after completing the assessment.

Employees and health professions students must have a Michigan Medicine Medical Record Number (MRN) and active MyUofMHealth account to complete this workflow. If you do not have an MRN, please call Registration at (866) 452-9896. If you need to sign up for MyUofMHealth, please visit myuofmhealth.org and click **New User Sign Up**.

Eligibility Assessment

5. Review the *Virtual Urgent Care Terms and Conditions of Use*. If you decline to accept the terms and conditions, you will not be able to proceed.

6. Answer the questions in the assessment.
- Michigan Medicine employees are considered U-M employees and may answer **Yes** to the question, *Is [your first name] a current University of Michigan employee or health professions student?*
 - The number of questions will vary depending on your responses.

7. Follow the instructions given at the end of the assessment.

Schedule Your COVID-19 Test

You may receive a recommendation to schedule a COVID-19 test. There are multiple types of COVID-19 tests that could be recommended based on the assessment. Most eligible employees will be able to schedule their COVID-19 test immediately through MyUofMHealth. If this is the case, your instructions will contain the specific steps needed to schedule your COVID-19 test.

If you are eligible for a COVID-19 test but are not able to schedule it through MyUofMHealth, you will receive instructions on how to contact OHS to schedule your testing appointment.
