¹ Redeployment staffing needs must be authorized by the appropriate department leadership/HR. Requests can be made by any campus (Ann Arbor, Michigan Medicine, Dearborn, Flint).

² Redeployment is currently only available to campus regular staff. Seasonal and furloughed staff as well as students and temporary employees are not eligible for redeployment at this time.

³ There is no charge from TSS for redeployment activities.

⁴ Redeployment duration is until temporary work assignment is completed and/or home department has an operational need for their employee to return. Home unit will allow at least one week's notice for employee to transition back.
