Important Questions	Answers		Why this Matters:
	Network 1	Network 2	
What is the overall <u>deductible</u> ?	\$0	\$2,000 Individual/ \$4,000 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> , lab, DME and some select services.		This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No.		You don't have to meet <u>deductibles</u> for specific services. See the Common Medical Events chart below for your costs for services this <u>plan</u> covers.
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?	\$3,000 Individual / \$6,000 Family for Network 1 and 2 <u>providers</u> combined.		The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
	A separate <u>out-of-pocket limit</u> applies only to <u>prescription drug co-pays</u> : \$2,500 Individual / \$5,000 Family		A separate annual <u>out-of-pocket limit</u> applies only to covered <u>Prescription Drug co-pays</u> and is separate from the <u>out-of-pocket limit</u> for the medical plan. It does not include infertility medications, product selection penalty, or any health plan expenses such as doctor office visits.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, any <u>pharmacy</u> penalty and health care this <u>plan</u> doesn't cover.		Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.bcbsm.com or call the number on the back of your BCN ID card for a list of <u>network providers</u> .		This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.		This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
