## Voices Alumni Survey

In the fall of 2023, AENT surveyed Voices alumni to determine their current and future interest in participating with Voices of the Staff, including how and in what capacity they want to be involved.

Numerical and written survey responses were summarized in a report, which will be submitted to the Project Management Team (PMT) for review after the annual meeting.

## Career Development Fund for Staff

In response to the need for more financial support, funding was doubled to a total of \$400,000 by the Executive Vice President and Chief Financial Officer for fiscal year 2024.

All 21 committee Career Development Fund reviewers are Voices of the Staff alumni. Nine are currently serving on the AENT (~43%)

## Voices Volunteer Project

AENT seeks to find new and creative ways to actively engage Voices alumni.

A project plan was created to identify volunteer opportunities that allow Voices alumni to connect with other U-M staff, align with our core values, and provide ways to give back to U-M and the community.

The final proposal will be submitted to the PMT for consideration in the next academic year.

*"I contributed to our larger U-M community, helping and supporting others to make a difference in their work life." ~ Margaret Liu (AENT)*
